Introduction

The original Cisco Technical Assistance Center (TAC)–authored document at this URL has been replaced by Product Documentation in the Products and Services area of Cisco.com. Refer to the documents provided for more information.

Prerequisites

Requirements

There are no specific requirements for this document.

Components Used

This document is not restricted to specific software and hardware versions.

The information in this document was created from the devices in a specific lab environment. All of the devices used in this document started with a cleared (default) configuration. If your network is live, make sure that you understand the potential impact of any command.

Conventions

Refer to Cisco Technical Tips Conventions for more information on document conventions.

Cisco IOS Software Release 12.2T

- Cisco Fax Services over IP Application Guide
- T.37/T.38 Fax Gateway for Cisco 2600 Series Routers and Cisco 3600 Series Routers
- Cisco IOS Voice Command Reference

Cisco IOS Software Release 12.1T

- T.38 Fax Relay for Voice over IP H.323
- T.37/T.38 Fax Gateway
- T.37/T.38 Fax Gateway Command Reference

Other Fax Documents

In order to locate several other fax documents, search for "fax" on Cisco.com using the filters to narrow the search. For example, search for "fax", then filter by "Products and Services". In the results, filter again by "Cisco IOS Software Release 12.2 T".
