New Cisco Catalyst 9000 series switches

### Cloud Managed

Buy 3+ year Cisco Meraki software subscription, get 1-year at no additional cost.

*Available on all Cisco Meraki product licenses.*

Cisco Meraki MS350 switch

### Automate Your Network

Orders over \$600,000 list price of eligible SKUs can receive a Cisco APIC-EM Appliance at no additional cost; \$37,945 USD in value<sup>3</sup>. Available while supplies last.

### Activate DNA Services

Orders over \$300,000 list price of eligible SKUs may qualify for Cisco partner services vouchers to activate pre-defined DNA solutions.

### 0% Financing

Pay 90% of the purchase cost over 3 years. At term end, return gear or take ownership by paying the remaining 10%.

### Why Cisco DNA?

Your network is the foundation for your digital business. Organizations that align their network and business goals can generate more than 2X revenue growth<sup>4</sup>. Cisco DNA provides the blueprint for organizations to meet digital demands with an open, software-driven network that enables business and IT to innovate faster, reduce costs, and lower risk.
