## General Information

Forwarding Agents engaged in international export that meet the criteria set forth in Section 212.06(5)(b), Florida Statutes (F.S.), may apply to the Department to obtain a *Florida Certificate of Forwarding Agent Address* (Form DR-14FAA).

A dealer who sells tangible personal property tax exempt for international export and accepts a valid copy of a *Florida Certificate of Forwarding Agent Address* in good faith or relies upon the list of designated forwarding agent addresses on the Department's website and ships the purchased items to the address on the certificate is not liable for any tax due on sales made during the effective period of the certificate.

## Application Process

Applicants are required to submit one application per business entity and a completed *Florida Business Tax Application* (Form DR-1, incorporated in Rule 12A-1.097, Florida Administrative Code). If a business has more than one designated address for the purpose of exportation outside the United States, then each designated address must be included using Schedule A – Additional Designated Addresses.

The applicant must submit their federal income tax return for the preceding taxable year. If the federal income tax return for the preceding taxable year was filed with a NAICS code other than 488510 but consistent with the principal business activity of a forwarding agent, then the applicant is required to provide an explanation as to why the NAICS code demonstrates the applicant is a forwarding agent. If the applicant did not file a federal income tax return for the preceding taxable year, the applicant is required to provide an explanation as to why the business did not file a federal income tax return for the preceding taxable year and the NAICS code under which the applicant intends to file a federal income tax return.

The Department will notify an applicant if additional information or documentation is needed to determine eligibility for a *Florida Certificate of Forwarding Agent Address*.

## Annual Information Submission

Florida law requires the Department to annually verify that businesses holding a *Florida Certificate of Forwarding Agent Address* continue to meet the eligibility requirements. Beginning July 1, 2023, certificate holders are required to submit a completed *Application for a Florida Certificate of Forwarding Agent Address* (Form DR-1FA) by July 1 each year, including documentation supporting continued eligibility. No annual verification is required during the calendar year in which the initial or a renewal *Florida Certificate of Forwarding Agent Address* is issued.

## Material Change Update

Within 30 days of a material change, certificate holders are required to submit an updated *Application for a Florida Certificate of Forwarding Agent Address* documenting the material change(s). The Department will notify the applicant when a material change requires submission of an updated *Florida Business Tax Application* (Form DR-1).

A change is considered material if the change affects the following information previously submitted on the *Application for a Florida Certificate of Forwarding Agent Address* by the certificate holder:

- Florida Business Partner Number
- Federal Employer Identification Number (FEIN)
- Legal Name of Business
- Contact Person, including changes to their contact information
- Mailing Address
- Business Website
- Designated Address(es)
- Description of all business activity conducted at the designated address(es)
- Federal Income Tax Return (if one was not included with the initial application)

A change is not material if it relates to a new federal income tax return if one was provided with the initial application; new documentation demonstrating the applicant remains engaged in international export; or changes in revenues or estimated revenues, unless the changes demonstrate that the principal business activity is no longer the facilitation for compensation the export of property owned by others.

### Renewal Application

A *Florida Certificate of Forwarding Agent Address* expires 5 years from the date of issuance. At least 30 days before the expiration date, certificate holders must submit a completed *Application for a Florida Certificate of Forwarding Agent Address*, along with documentation sufficient to substantiate the applicant's eligibility. If an updated *Florida Business Tax Application* (Form DR-1) is needed, the Department will notify you.
