

Cisco Services Price Changes

May 1, 2015 Special Announcement

Cisco is implementing a service price change on the Cisco TelePresence MX800 Dual Cam 70" product. Customers and partners are encouraged to refer to the ordering tools, which will be updated to account for the new pricing. Customers and partners can also contact their Cisco Services marketing representative or service account manager for questions related to this change.

Effective Date

The new prices are effective beginning June 1, 2015.

Reason for Change

The original service prices were miscalculated. These price increases will correct the inaccuracies.

Service Programs Affected

Partner Support Service offers will be adjusted to the new service prices. The associated product IDs and service SKUs are listed in the May 2015 special price change report at <http://www.cisco.com/web/partners/services/orders-support/price-changes/documents/service-s-price-change-report-May-2015.xlsx>. You can also paste this URL into your web browser by going to Select Text at the top of the PDF file, highlighting the URL, pressing the Ctrl+C keys, and pasting the copied text into the browser. The price change report posting to this URL will be available by May 1, 2015.
