

# Learn Without Limits

## Offerings in Higher Education

See how universities can optimize facilities, improve student outcomes, and provide a safer environment for students and educators.

### Digital Learning

Maximize the potential for learning, teaching and research by using innovative learning environments.

#### Digital Learning Case Studies

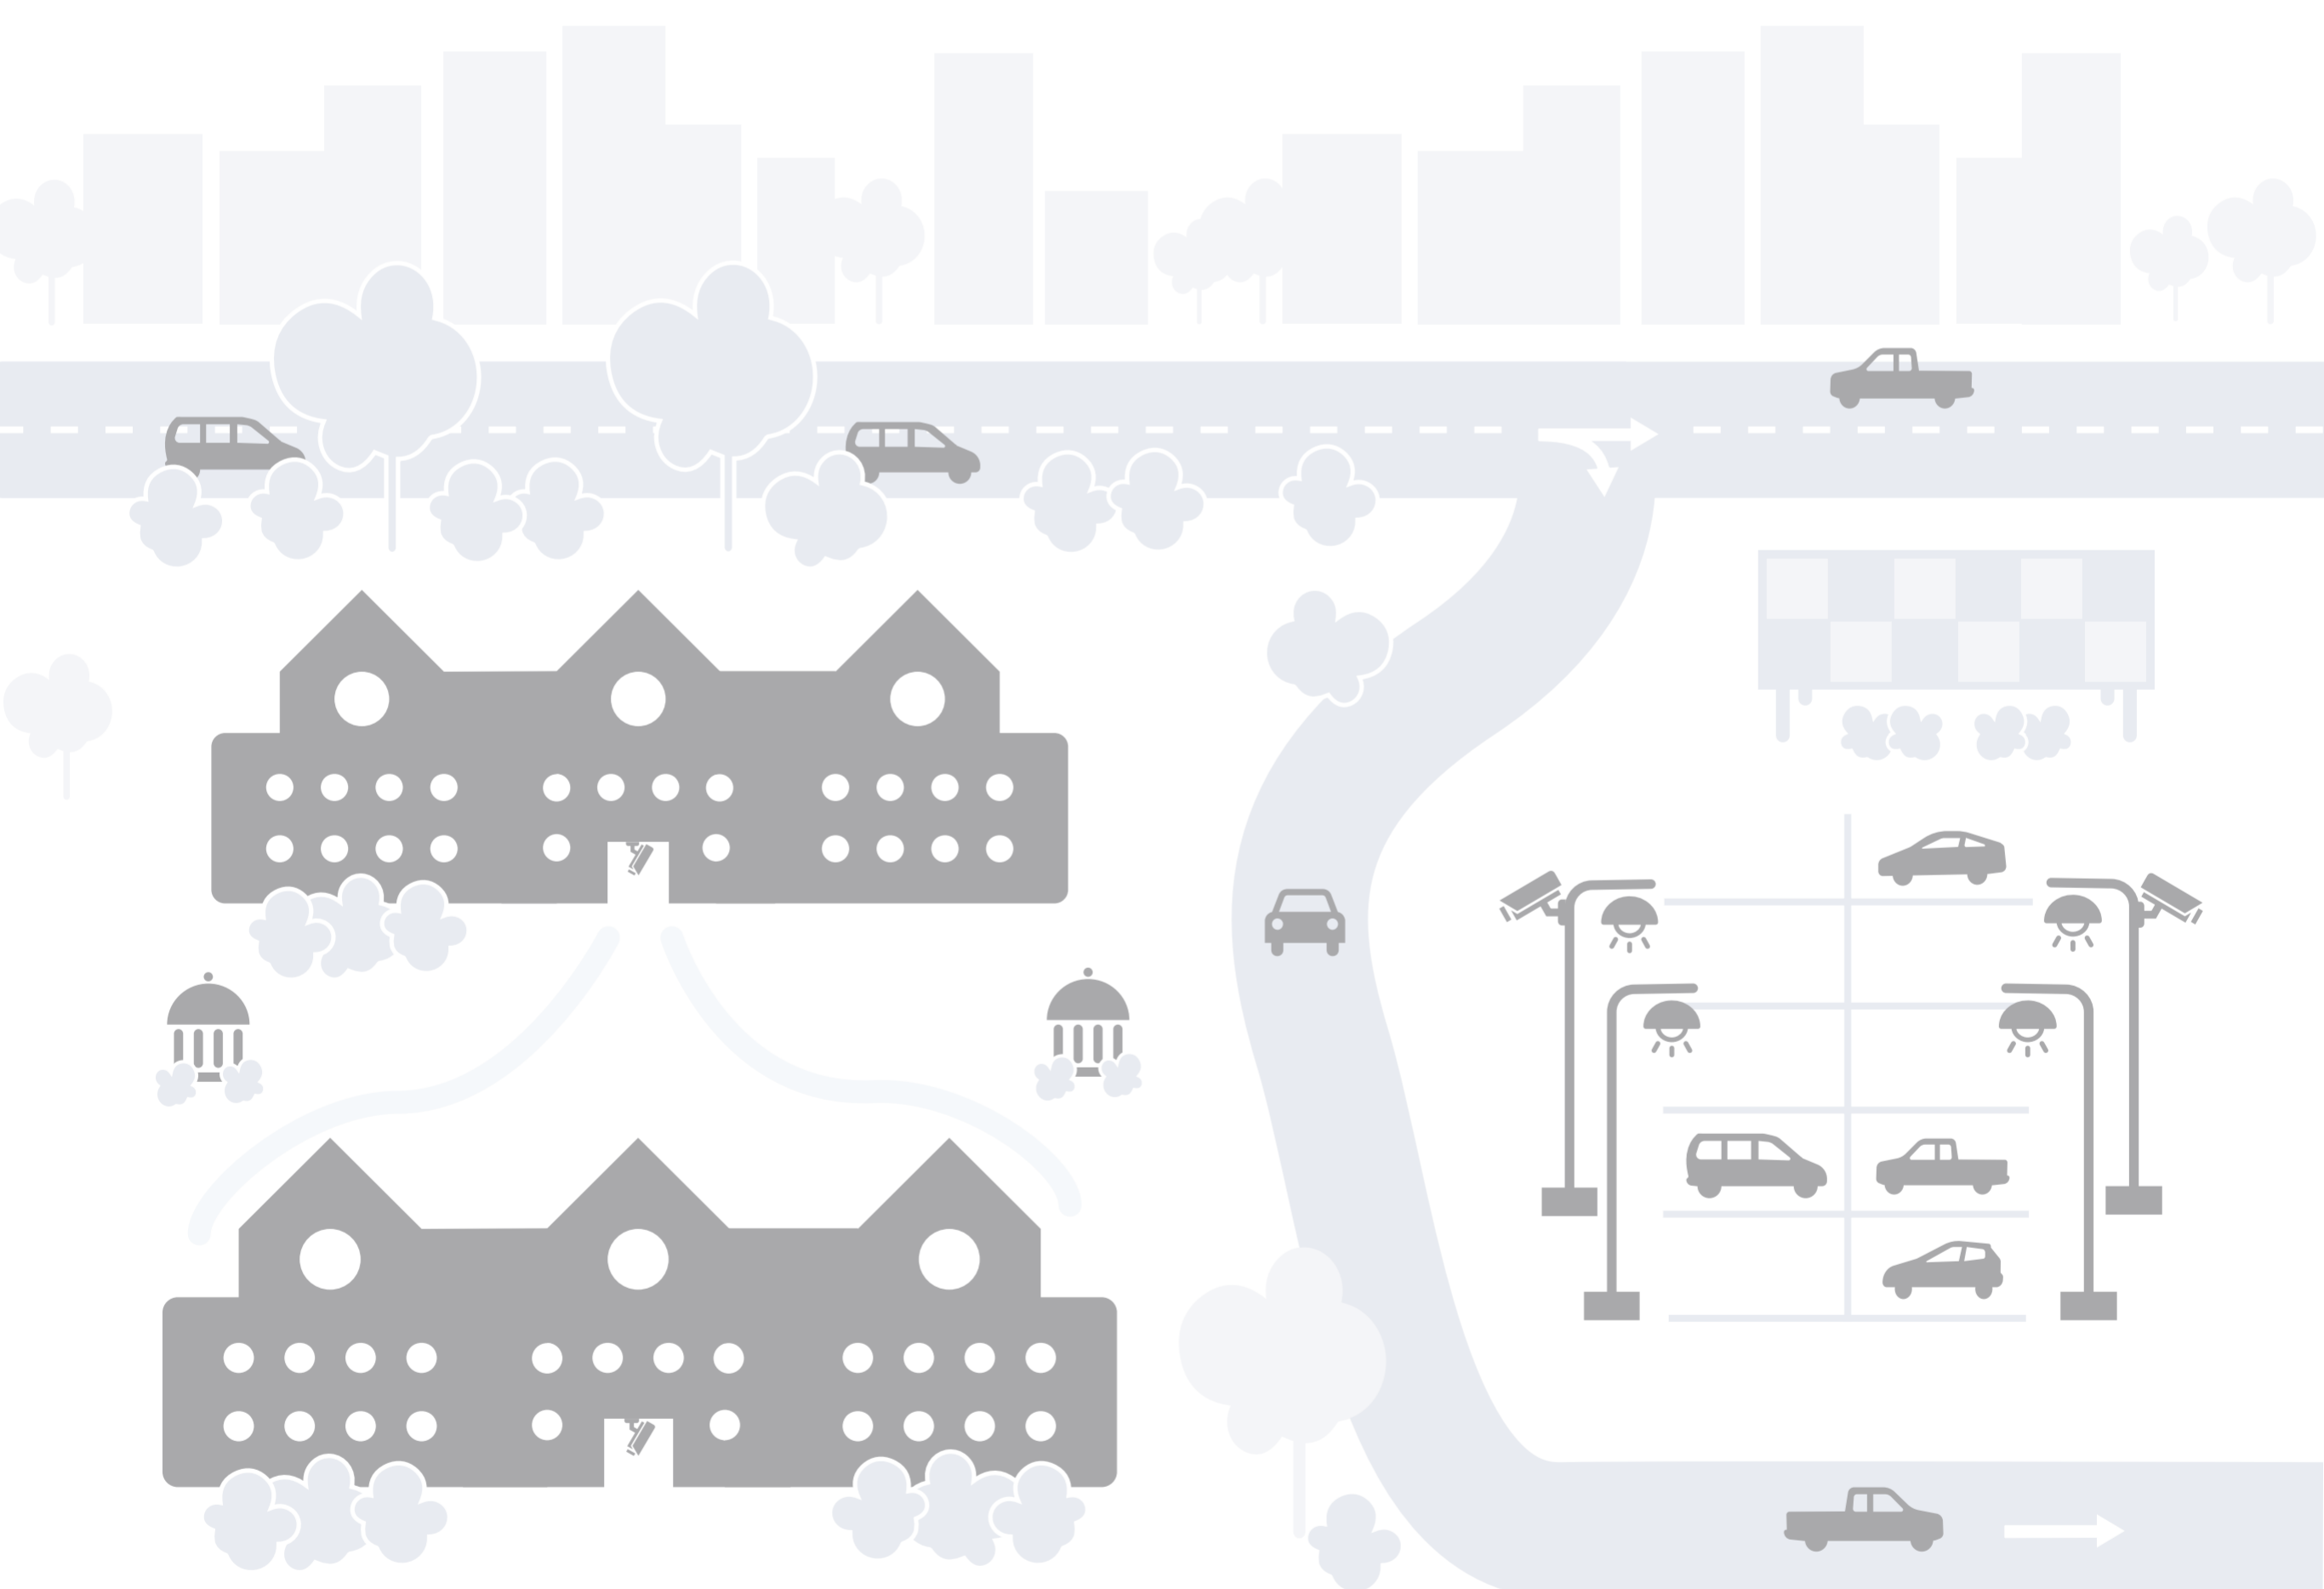

**Mobility and BYOD**  
Brunel University London  
Namibia University

**Virtual Classroom**  
Edinburgh Napier College  
Deakin University  
San Jose State University

**Connected Research**  
Wake Forest University

### Digital Campus

Optimize campus facilities and improve security for a safer and more productive environment for students, faculty and the community.

#### Digital Campus Case Studies

**Facilities Management**  
George Brown College  
University of St Gallen

**Wireless Connectivity**  
Bergen University  
Reykjavik University

**Campus Security**  
Elon University  
University of San Francisco

**Cybersecurity**  
Fontys University  
Qatar University

**Smart Workspaces**  
Deakin University  
University of New South Wales
