

easylease Low Rate Financing Program for Cisco Technology

Getting the right technology for your business just got easier...

The right technology makes businesses more efficient and productive. It keeps employees connected, makes customers happier and enables greater flexibility and security. However, with continued pressure on cash flow and competing demands for budgets, funding technology investments for your business can be difficult.

Cisco® **easylease** Low Rate Financing makes it simple to acquire your Cisco solution. With low rate financing for Cisco technology available through selected finance partners you can*:

- **Accelerate technology adoption:** Finance helps you acquire a complete end-to-end solution across hardware, software and services, whatever your budget, when your business needs it
- **Lower overall costs and reduce cash flow pressures:** There's no need for a large upfront payment. Spread payments over 12, 18, 24 or 36 months, leaving you free to invest cash in core business priorities

- **Flexibility for you to align your technology with business planning:** You can upgrade or take ownership of the equipment at the end of the lease term

Why choose **easylease** Low Rate Financing?

- Complete financing solution for your Cisco technology including hardware, software and services
- Simple, fast application and approval processes through a dedicated **easylease** customer team

* Lease rate factor is the payment calculation, so over 36 months for each R1,000 you pay R30.92 per month rental

How to calculate your monthly payment

Calculating your monthly payment is easy. Here are two examples.

12 months at 0% interest:

Total cost of solution: **R200,000**

Lease agreement duration: **12 months**

Monthly payment = $\frac{R200,000}{12 \text{ months}}$ (total cost of solution)

Therefore you pay **R16,667 per month**

36 months at 7.5% interest:

Total cost of solution: **R200,000**

Lease agreement duration: **36 months**

Monthly payment = $\frac{R200,000}{R1,000 \times R30.92^*}$ (total cost of solution)

Therefore you pay **R6,184 per month**
