Who is TANDBERG?

Our Mission

TANDBERG's mission is to lead the industry by making business-quality visual communication accessible to everyone in a healthcare organization

Why Visual Communication in Healthcare?

Be in Two Places at Once

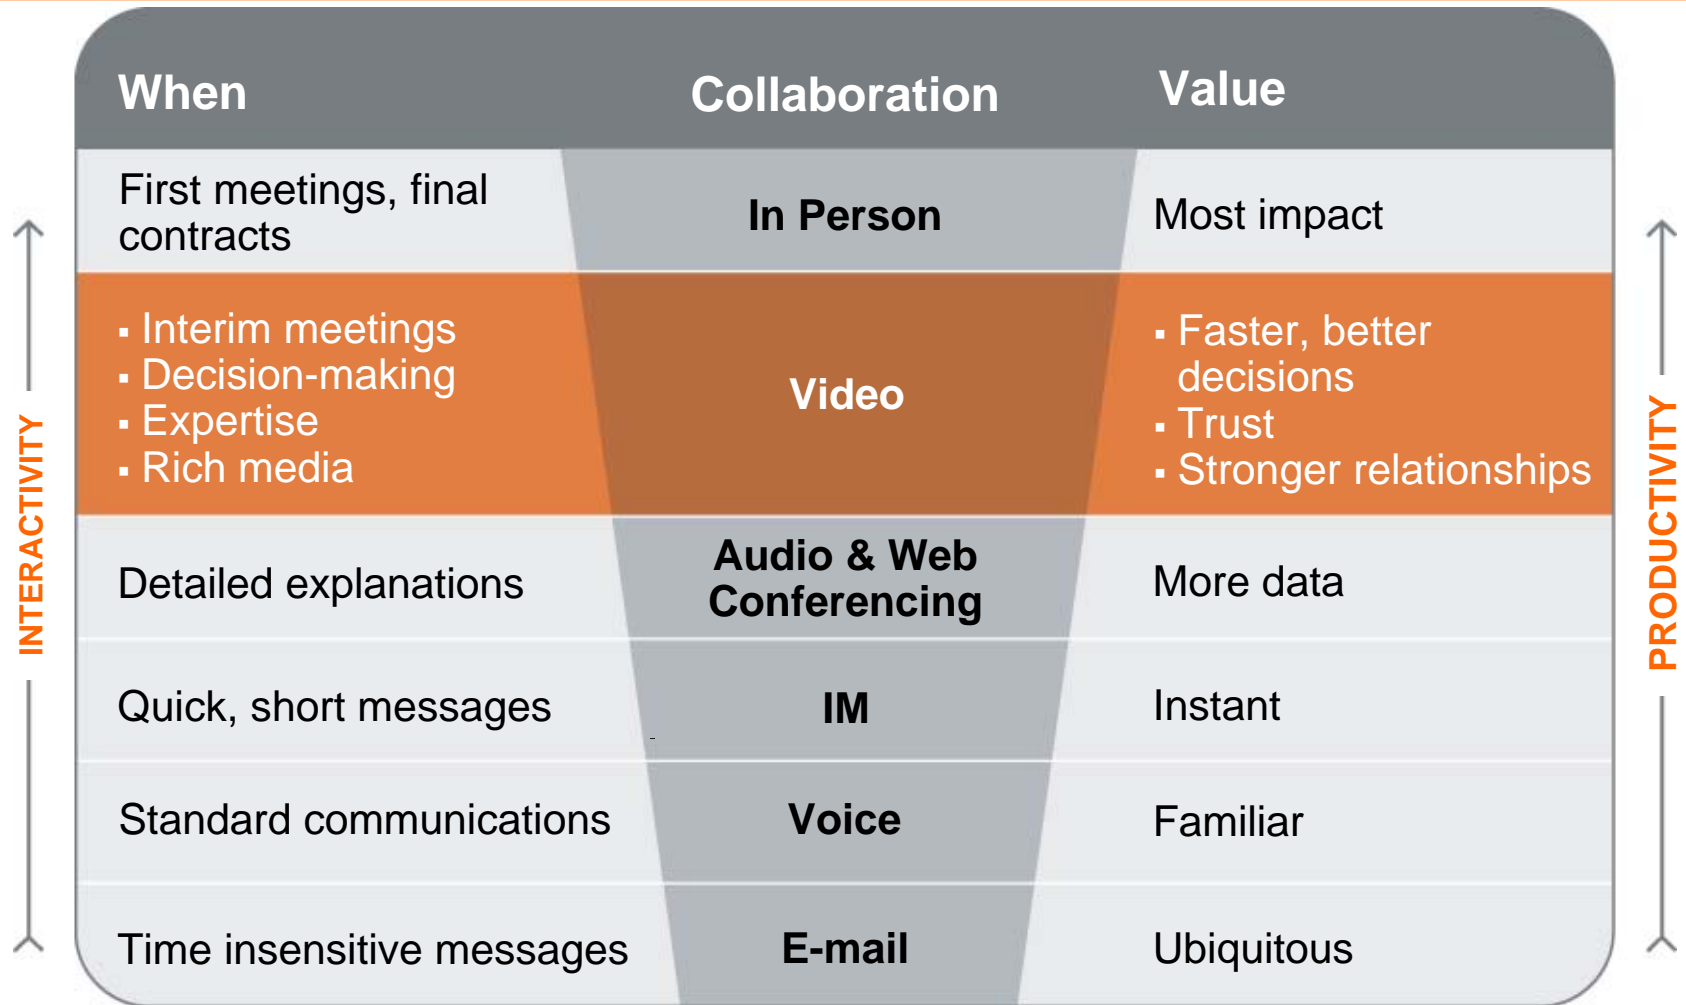

It is a competitive advantage to be where you need to be, and to *be there now*.

- **Clinical-quality visual communication**
 - Strengthens relationships
 - Stream-line services
 - Builds trust
 - Enables quicker, more accurate patient assessment

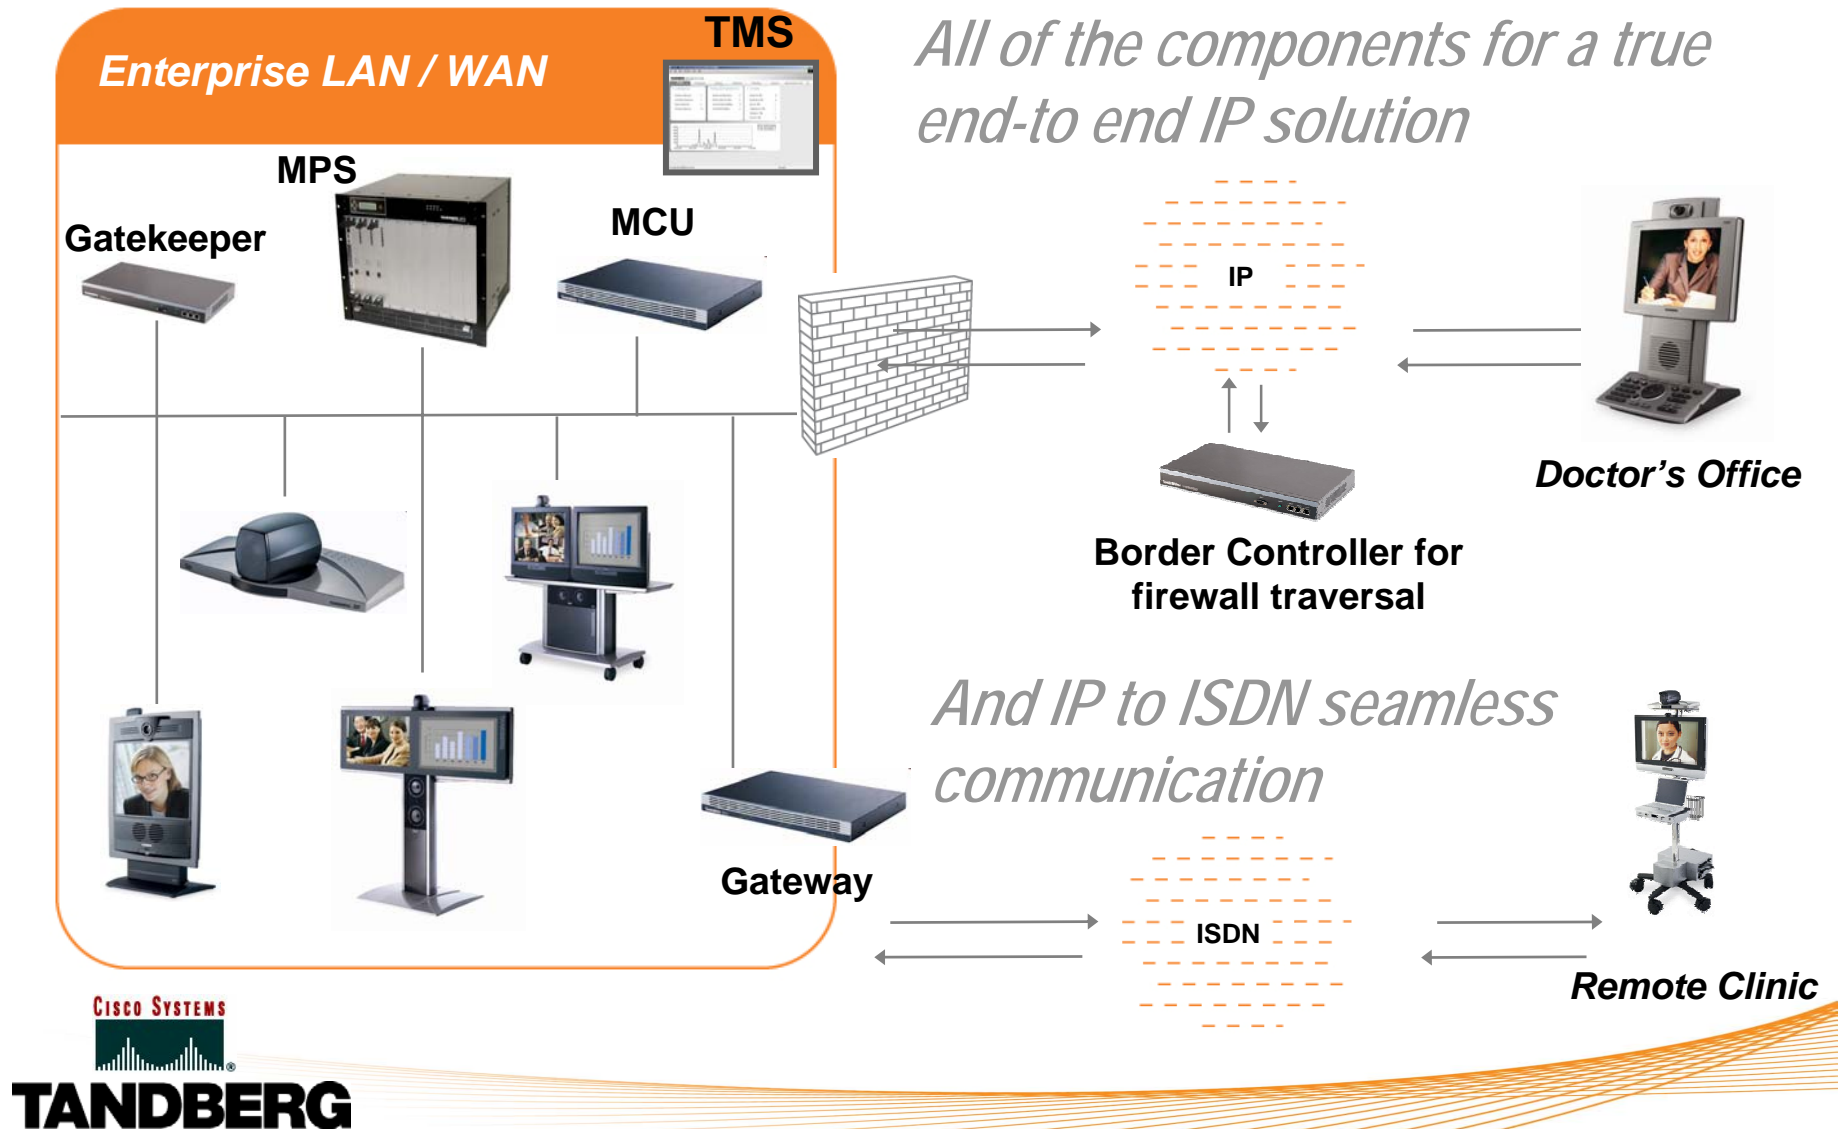

Why Visual Communication Now in Healthcare?

The Right Method for the Right Message

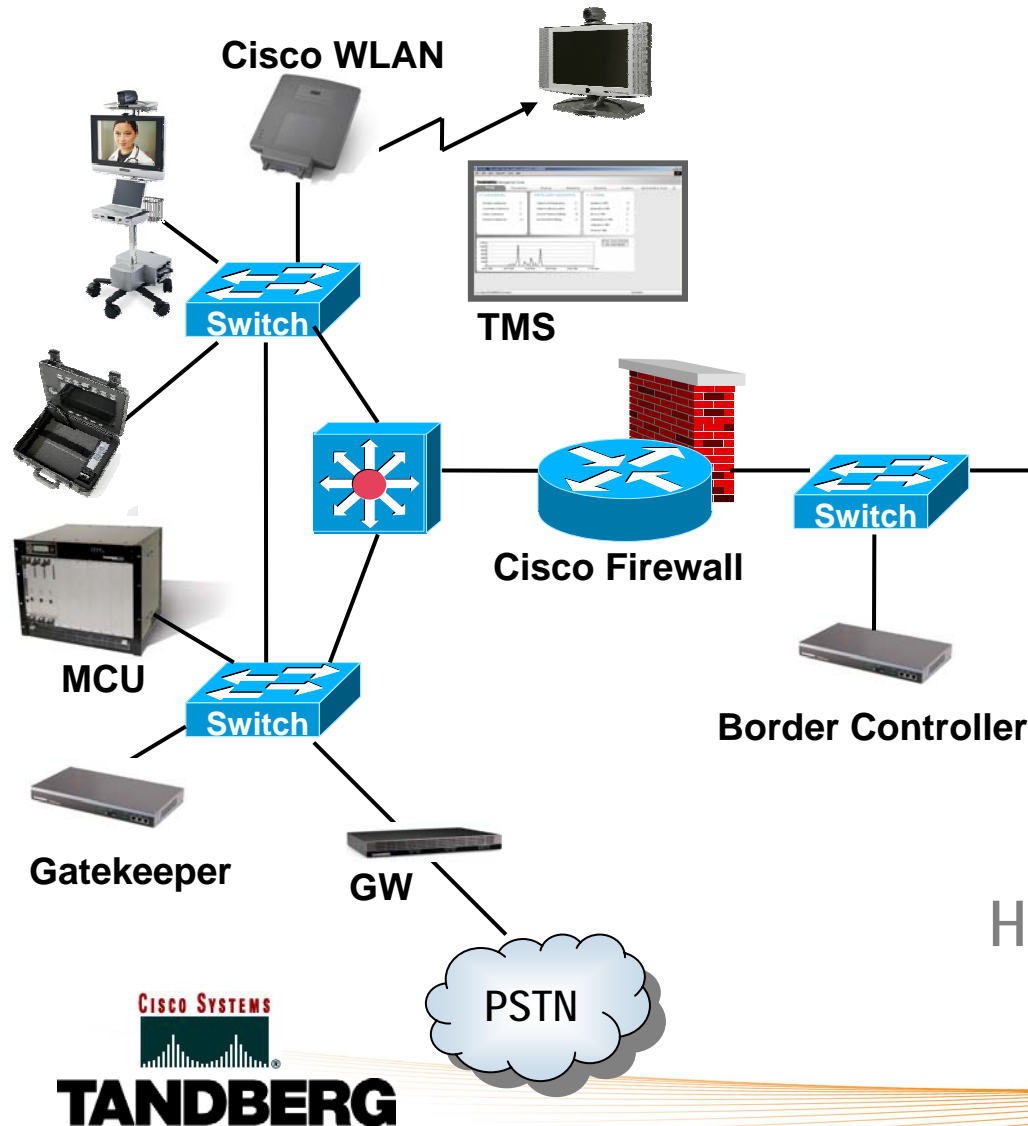

The TANDBERG Solution

The Visual Communication Network

Collaborative Care - TANDBERG and Cisco Solution

The Visual Communication Network

■ Cisco IP Hardware

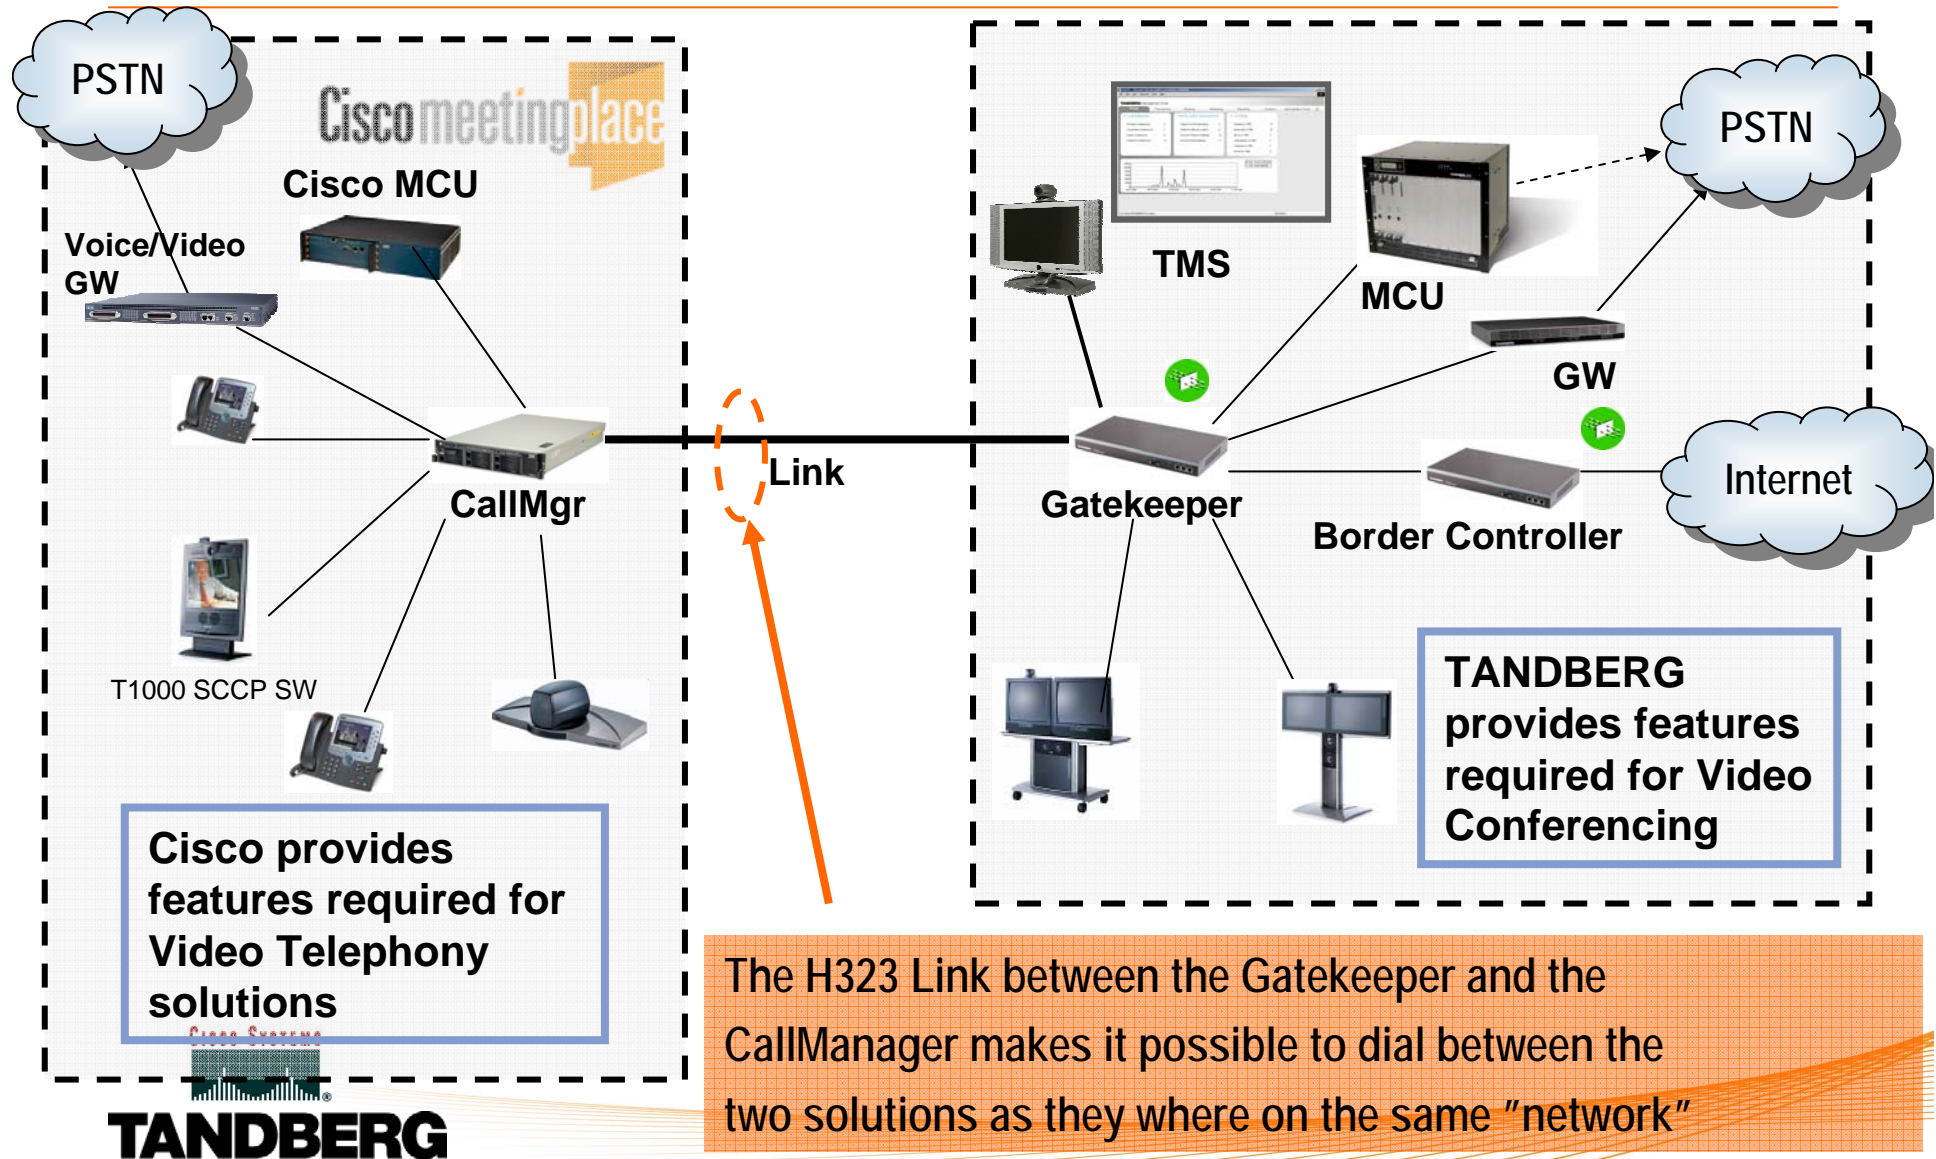

- WLAN
- QoS
- VLAN
- VPN
- MPLS

■ Cisco IP Features

- Switches
- Routers
- Firewalls
- VPN Concentrator

High-quality IP video for Cisco environments

Merging the solutions

Thank You

TANDBERG

An abstract graphic consisting of numerous thin, orange lines that curve upwards from the bottom left towards the top right, creating a sense of motion and depth. The lines are more densely packed on the right side, forming a grid-like pattern as they converge.
