Cisco announces a change in product part numbers for the Cisco Radware vDP Service Support

EOL12345

Cisco announces a change in product part numbers for the Cisco Radware vDP Service Support. This is a product part number change only announcement. Customers will experience no change in functionality when using the new product part numbers. The new product part numbers are designed to simplify the customer ordering process. The last day to order the affected product using the current product part numbers is June 11, 2018. Customers will continue to receive support from the Cisco Technical Assistance Center (TAC) until otherwise specified in the end-of-life announcement for the new product part numbers. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement.

Table 1. End-of-Life Milestones and Dates for the Cisco Radware vDP Service Support

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	March 12, 2018
End-of-Sale Date License	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	June 11, 2018
Last Ship Date License	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	September 9, 2018
