CISCO

End-of-Sale and End-of-Life Announcement for the Perpetual Licensing for Cisco Unified Contact Center Enterprise, Packaged Contact Center Enterprise, Customer Voice Protocol, and HCS for Contact Center – Replaced by Flex Contact Center

Contents

Overview

Cisco announces the end-of-sale and end-of-life dates for the Perpetual Licensing for Cisco Unified Contact Center Enterprise, Packaged Contact Center Enterprise, Customer Voice Protocol, and HCS for Contact Center - Replaced by Flex Contact Center. The last day to order the affected product(s) is August 1, 2022. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Cisco is committed to long-term support for our customers with on-premises and Partner Hosted Contact Center deployments. Collaboration Flex Plan for Contact Center supports multiple deployment models: On-premises, partner hosted, and cloud. Some of the customer benefits of Flex Plan include:

- Flexible payment methods – monthly, annual, and full
- Software Support that is included – never find yourself uncovered
- Simplified licensing structure
- Better license entitlements to Cisco Collaboration solutions
- An easy migration to the cloud

The perpetual licensing included in this EOL announcement (Replaced by Flex Contact Center) is:

- Unified Contact Center Enterprise (UCCE)
- Packaged Contact Center Express (PCCE)
- Customer Voice Protocol (CVP)
- Hosted Collaboration Solution for Contact Center (HCS-CC)

This EOL announcement pertains to all versions of the products above.

NOTE: The following products will continue to be available under perpetual licensing:

- Intelligent Contact Management (ICM)
- Non-Production Systems (NPS) kit for UCCE
- Enterprise Agreement for Contact Center

For more information about Collaboration Flex Plan for Contact Center, reference the ordering guides at this link: https://www.cisco.com/c/en/us/partners/tools/collaboration-ordering-guides.html

End-of-life milestones

Table 1. End-of-life milestones and dates for the Perpetual Licensing for Cisco Unified Contact Center Enterprise, Packaged Contact Center Enterprise, Customer Voice Protocol, and HCS for Contact Center - Replaced by Flex Contact Center

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	January 31, 2022
End-of-Sale Date: App SW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	August 1, 2022
Last Ship Date: App SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	October 30, 2022
End of New Service Attachment Date: App SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	August 1, 2022
End of Service Contract Renewal Date: App SW	The last date to extend or renew a service contract for the product.	August 1, 2023
Last Date of Support: App SW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	July 31, 2024

HW = Hardware   OS SW = Operating System Software   App. SW = Application Software

The last day to attach or renew multiyear Software Support Services (SWSS) for perpetual Contact Center is August 1, 2022. Only single year contracts will be available after this date. Customers who need additional licensing and / or to renew software support should move to FLEX Contact Center.

Product part numbers

Table 2. Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
CCE-PAC-CVP-STU125	Call Studio 12.5	See the Product Migration Options section below for detailed information on replacing this product.	–	–
CCE-PAC-VVB-MIGRN	Migration SKU for IOS to Virtual Voice Browser license	See the Product Migration Options section below for detailed information on replacing this product.	–	–

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
CVP-125-BDL-NPS-CP	CVP 12.5 NPS Kit for Partners	See the Product Migration Options section below for detailed information on replacing this product.	–	–
CVP-125-MEDIA=	CVP 12.5 Media Only	See the Product Migration Options section below for detailed information on replacing this product.	–	–
