End-of-Sale and End-of-Life Announcement for the Cisco Unified Communications Software Subscription (UCSS)

EOL9769 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco Unified Communications Software Subscription (UCSS). The last day to order the affected product(s) is September 22, 2014. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers’ service contract.

Cisco also announces the end-of-sale and end-of-life dates for the Cisco Essential Operate Service (ESW), and associated service levels. This announcement also includes the end-of-sale and end-of-life dates for the Cisco Prime Product Assured Software Subscription. The last day to order the affected service is September 22, 2014. Customers with active ESW service contracts or UCSS subscriptions will continue to receive support until the termination date of the contract.
