New and Changed Information

The table below summarizes the new and changed Cisco APIC-EM features that are included in this document. For information about all of the new and changed features in Cisco APIC-EM, Release 1.6.0.x, see the Release Notes. For the latest caveats, see the Bug Search Tool at <https://tools.cisco.com/bugsearch/>.

Feature	Description	Where Documented
Scheduled controller backups.	Support to schedule periodic controller backups using the Cisco APIC-EM GUI.	See About Backup and Restore
Copying controller backups to a remote server.	Support to copy controller backups to a remote SFTP location using the Cisco APIC-EM GUI.	See About Backup and Restore
