## Cisco Icon Library

Cisco icons are globally recognized and generally accepted as standard for network icon topologies. Cisco icons are available for download:

<http://www.cisco.com/web/about/ac50/ac47/2.html>

## Cisco International Websites

To find international Cisco websites, go to <http://www.cisco.com> and click **Worldwide** at the top of the page.

## Cisco Internetworking Terms and Acronyms (ITA)

This resource defines internetworking terms and acronyms specific to Cisco products, technologies, or services. Some terms may also have descriptions unique to Cisco.

The Cisco ITA does not duplicate industry-standard terms for which definitions can be found in other sources. To review this resource:
