Deferral Notice for Cisco ISE 1.0.4

Deferred Release: Cisco Identity Services Engine 1.0.4.

This Cisco Identity Services Engine Software Release has been deferred as of October 4, 2013.

This release contains defects that have been resolved in Cisco Identity Services Engine 1.1.1 and later. Cisco recommends that customers use one of the more current releases instead. Please refer to the 1.1.x Release Notes for the list of resolved defects.

This release of the Cisco Identity Services Engine is no longer available for download.
