

# Preface

---

This preface describes the purpose, audience, organization, and conventions of this guide, and provides information on how to obtain related documentation.

The preface covers these topics:

- [Purpose, page 1](#)
- [Audience, page 1](#)
- [Organization, page 1](#)
- [Related Documentation, page 2](#)
- [Conventions, page 2](#)
- [Obtaining Documentation and Submitting a Service Request, page 3](#)
- [Cisco Product Security Overview, page 3](#)

## Purpose

The *Cisco Unified Communications Manager (CallManager) Dial Plan Deployment Guide* provides instructions to deploy Cisco Unified Communications Manager and Cisco Unified Communications Manager Dial Plans.

## Audience

This document provides information for network administrators and engineers who are responsible for deploying dial plans on the Cisco Unified Communications Manager system. Deploying Cisco Unified Communications Manager Dial Plans requires knowledge of telephony and IP networking technology.

## Organization

Table [Table 1](#) provides the chapter layout of the guide.

**Table 1** Layout of Cisco Unified Communications Manager Dial Plan Deployment Guide

Chapter	Description
<a href="#">Chapter 1, “Introducing Cisco Unified Communications Manager (CallManager) Dial Plans”</a>	Provides an overview of Cisco Unified Communications Manager Dial Plans.
<a href="#">Chapter 2, “Deploying Dial Plans for 4.2(3) and Earlier Releases”</a>	Describes the deployment of dial plans for 4.2(3) and earlier releases on the Windows machine.
<a href="#">Chapter 3, “Deploying Dial Plans for 5.0(1) and Later Releases”</a>	Describes the deployment of dial plans for 5.x and later releases on the Linux machine.
<a href="#">Chapter 4, “Cisco Unified Communications Manager (CallManager) Dial Plans”</a>	Details discard digits instructions and tag descriptions for various regions.

## Related Documentation

Refer to the following documentation for further information about Cisco Unified Communications Manager:

- *Cisco Unified Communications Manager Administration Guide*
- *Cisco Unified Communications Manager System Guide*
- *Cisco Unified Communications Manager Features and Services Guide*

## Conventions

This document uses the following conventions:

Convention	Description
<b>boldface</b> font	Commands and keywords are in <b>boldface</b> .
<i>italic</i> font	Arguments for which you supply values are in <i>italics</i> .
string	A nonquoted set of characters. Do not use quotation marks around the string or the string will include the quotation marks.
screen font	Terminal sessions and information the system displays are in screen font.
<b>boldface screen</b> font	Information you must enter is in <b>boldface screen</b> font.

Notes use the following conventions:

**Note**

Means *reader take note*.

**Tip**

Means *the following information will help you solve a problem.*

**Caution**

Means *reader be careful.* In this situation, you might perform an action that could result in equipment damage or loss of data.

**Timesaver**

Means *the described action saves time.* You can save time by performing the action described in the paragraph.

## Obtaining Documentation and Submitting a Service Request

For information on obtaining documentation, submitting a service request, and gathering additional information, see the monthly *What's New in Cisco Product Documentation*, which also lists all new and revised Cisco technical documentation, at:

<http://www.cisco.com/en/US/docs/general/whatsnew/whatsnew.html>

Subscribe to the *What's New in Cisco Product Documentation* as a Really Simple Syndication (RSS) feed and set content to be delivered directly to your desktop using a reader application. The RSS feeds are a free service and Cisco currently supports RSS Version 2.0.

## Cisco Product Security Overview

This product contains cryptographic features and is subject to United States and local country laws governing import, export, transfer and use. Delivery of Cisco cryptographic products does not imply third-party authority to import, export, distribute or use encryption. Importers, exporters, distributors and users are responsible for compliance with U.S. and local country laws. By using this product you agree to comply with applicable laws and regulations. If you are unable to comply with U.S. and local laws, return this product immediately.
