Send Call Icons To Contacts

You can send a call icon to another user in a chat window that they can simply click on to call you. These call icons give you an easy way to request calls from contacts. When someone receives a call icon, they can simply click on the icon to start a phone call with you.

Procedure

Enter either of the following commands in a chat window to send the person or people in your chat window an icon of a telephone. Your contacts can click on the telephone icon to start a call with you.

`:callme` OR `:telephone`

Forward Calls

You can forward all calls from Cisco Jabber to voicemail or a different phone.

Procedure

- Step 1** Select the phone control menu on the main window.
 - Step 2** Select **Forward calls to** and then select the appropriate option.
