

Preface

This preface describes the audience, organization, and conventions of the Configuration Guide. It also provides information on how to obtain other documentation. This chapter includes the following sections:

- [Audience, page i](#)
- [Related Documentation, page i](#)
- [Obtaining Documentation and Submitting a Service Request, page i](#)

Audience

The purpose of this guide is to help you configure and manage the . Before you begin, you should be familiar with network structure, terms, and concepts.

Related Documentation

See the Cisco 3310 Mobility Services Engine Getting Started Guide or Cisco 3350 Mobility Services Engine Getting Started Guide for mobility services engine installation and setup information. These documents are available on Cisco.com at the following URL:

Click this link to browse to user documentation for the Cisco Unified Wireless Network solution:
