

T.38 Fax Statistics

The T.38 Fax Statistics feature can be found in the *RADIUS VSA Voice Implementation Guide* at http://www.cisco.com/univercd/cc/td/doc/product/access/acs_serv/vapp_dev/vsaig3.htm

Within that guide, you can go directly to the “VSAs Used by T.38 Fax Statistics” section on page 23.

You can find the commands used with this feature in the following command reference documents:

- *Cisco IOS Debug Command Reference*, Release 12.3 T at <http://www.cisco.com/univercd/cc/td/doc/product/software/ios123/123tcr/123dbr/index.htm>
- *Cisco IOS Voice Command Reference*, Release 12.3 T at <http://www.cisco.com/univercd/cc/td/doc/product/software/ios123/123tcr/123tvr/index.htm>
