

Managing Interfaces

This chapter describes the management tasks that can be performed on the interfaces of the Cisco 12000 series internet router being managed using the Cisco 12000 Manager (C12kM) application. A number of interface topics (and the order in which they should be carried out) are identified in [Figure 6-1](#).

Figure 6-1 *Managing Interfaces*

The following chapters describe the interface management topics:

- [Chapter 7, “Interface Profiles”](#)
- [Chapter 8, “Interface Configuration”](#)
- [Chapter 9, “Interface Status”](#)
- [Chapter 10, “Interface Performance”](#)
- [Chapter 11, “Layer 3 QoS”](#)
- [Chapter 12, “Managing ATM Connections”](#)
- [Chapter 14, “Fault Management”](#)
