Ordering Documentation

The procedure you follow to order documentation is determined by whether you are a registered Cisco.com user or a non registered Cisco.com user.

Registered Cisco.com Users

If you are a registered Cisco.com user (Cisco direct customer), you can order documentation in these ways:

- Order printed copies of Cisco product documentation from the Networking Products MarketPlace at this URL:
http://www.cisco.com/cgi-bin/order/order_root.pl

- Obtain part numbers to order spare documentation from your local account representative or by selecting the documentation product family after choosing a price list at this URL:
<http://www.cisco.com/cgi-bin/front.x/pricing>
- Obtain the Documentation CD-ROM (product number DOC-CONDOCCD=) through the online Subscription Store at this URL:
http://www.cisco.com/cgi-bin/order/order_root.pl

Nonregistered Cisco.com Users

If you are a nonregistered Cisco.com user, you can order printed copies of Cisco product documentation through a local account representative by calling Cisco Worldwide Sales at 800 553-NETS(6387).

Additional Information

If you ordered printed documentation for your product, it is shipped separately from your product. Additional Cisco documentation for your product is available on a Cisco Documentation CD-ROM or on the World Wide Web.

Documentation CD

Cisco documentation and additional literature are available in a Cisco Documentation CD-ROM package. The Documentation CD-ROM is updated monthly and may be more current than printed documentation. You can sign up to receive the monthly Documentation CD (product number DOC-CONDOCCD=) at this URL:

http://www.cisco.com/cgi-bin/order/order_root.pl

World Wide Web

You can access the most current Cisco documentation on the World Wide Web at this URL:

<http://www.cisco.com>

To find the entire Cisco Unity documentation set, from Cisco's home page, choose **Products and Services > Voice Software > Cisco Unity > Instructions and Guides**.
