

Documentation Roadmap for Cisco Intrusion Prevention System 7.0

This documentation roadmap explains how to access IPS 7.0 documents and related documents on Cisco.com. You can find this documentation roadmap on Cisco.com with live links to the IPS documentation site and related security products sites by following the instructions in [Accessing Cisco IPS Documentation, page 2](#).

Contents

- [Cisco IPS 7.0 Documentation Set, page 1](#)
- [Accessing Cisco IPS Documentation, page 2](#)
- [Related Documentation, page 3](#)
- [Obtaining Documentation and Submitting a Service Request, page 3](#)

Cisco IPS 7.0 Documentation Set

Refer to the following documents for information on Cisco IPS 7.0.

- For a list of caveats, documentation changes, and important last minute information:
Release Notes for Cisco Intrusion Prevention System 7.0
- For information on installing and using Cisco IDM:
Installing and Using Cisco Intrusion Prevention System Device Manager 7.0
- For information on installing and using Cisco IME:
Installing and Using Cisco Intrusion Prevention System Manager Express 7.0
- For IPS CLI reference, including syntax and usage guidelines:
Cisco Intrusion Prevention System Command Reference 7.0
- For CLI procedures:
Configuring the Cisco Intrusion Prevention System Sensor Using the Command Line Interface 7.0

Americas Headquarters:
Cisco Systems, Inc., 170 West Tasman Drive, San Jose, CA 95134-1706 USA

© 2009 Cisco Systems, Inc. All rights reserved.

- For hardware installation:
Installing Cisco Intrusion Prevention System Appliances and Modules 7.0
- For safety and regulatory information:
Regulatory Compliance and Safety Information for the Cisco Intrusion Prevention System 4200 Series Appliance Sensor

Accessing Cisco IPS Documentation

You can find IPS documentation at this URL:

http://www.cisco.com/en/US/products/hw/vpndevc/ps4077/tsd_products_support_series_home.html

Or to access IPS documentation, follow these steps:

-
- Step 1** Log in to [Cisco.com](http://www.cisco.com).
- Step 2** Under Quick Links on the right side of the window, click **Documentation**.
- Step 3** Under Select a category, click **Security**, then under Select a sub-category, click **IPS Appliances**, then under Select a product, click **Cisco IPS 4200 Series Sensors**.
- The Cisco IPS 4200 Series Sensors window appears.
- Step 4** Click one of the following categories to access Cisco IPS documentation:
- **General Information**—Contains documentation roadmaps and release notes
 - **Download Software**—Takes you to the software download site
 - **Reference Guides**—Contains command references.
 - **Install and Upgrade**—Contains hardware installation and regulatory guides.
 - **Configure**—Contains configuration guides for IPS CLI and IDM
 - **Troubleshoot and Alerts**—Contains TAC tech notes and field notices
-

Obtaining Documentation and Submitting a Service Request

For information on obtaining documentation, submitting a service request, and gathering additional information, see the monthly *What's New in Cisco Product Documentation*, which also lists all new and revised Cisco technical documentation, at:

<http://www.cisco.com/en/US/docs/general/whatsnew/whatsnew.html>

Subscribe to the *What's New in Cisco Product Documentation* as a Really Simple Syndication (RSS) feed and set content to be delivered directly to your desktop using a reader application. The RSS feeds are a free service and Cisco currently supports RSS Version 2.0.

This document is to be used in conjunction with the documents listed in the “[Related Documentation](#)” section.
