## Viewing Your Meetings

### Procedure

---

- Step 1** Select **My Meetings** in the sidebar menu.
- Step 2** Select **Current** to see all your meetings that are currently in progress.
- Step 3** Select **Upcoming** to see all your meetings that have not yet started.
- Step 4** Select **History** to see all your meetings that have already finished.
- Only meetings that meet at least one of the following criteria are displayed:
- You are a participant in the meeting.
  - You are the owner of a virtual room used in the meeting.
  - You are the organizer of the meeting.

If you do not get the expected result when you select History, contact your system administrator.

---

# Verifying that You Have Successfully Created Your Meeting

## Procedure

---

- Step 1** Select **My Meetings** in the sidebar menu.
- Step 2** Select **Current** to see all your meetings that are currently in progress.
- Step 3** Select **Upcoming** to see all your meetings that have not yet started.
- Step 4** Select **History** to see all your meetings that have already finished.
- The creation status of each of the displayed meetings is shown in the Status column.
- If the status column is colored green, the meeting was successfully created and all meeting participants are in the meeting.
- If the status column is colored red, Resource Manager has failed to create the meeting.
- Step 5** To view the Reason Failed error message, select the **red status indicator**, and then select **Retry** to resend the meeting information to the MCU.
- 

# Searching for a Meeting

## Procedure

---

- Step 1** Select **My Meetings** in the sidebar menu.
- Step 2** Select **Current**, **Upcoming** or **History**, as required.
- Step 3** Perform any of the following:
- Enter the partial or complete subject of the meeting in the Subject field.  
If any part of the meeting subject matches the search string, the meeting record is displayed in the search results.
  - Enter the E.164 number (the number of the user terminal) of an attending terminal in the E164 field.  
If any part of the meeting subject matches the search string, the meeting record is displayed in the search results.
  - Select the calendar icon in the From field, and select a date and time in the window that opens.  
Meetings scheduled after the selected time are listed.
  - Select the calendar icon in the To field, and select a date and time in the window that opens.  
Meetings scheduled before the selected time are listed.
  - Enter the partial or complete meeting ID in the Meeting ID field.  
If any part of the meeting ID matches the search string, the meeting record is displayed in the search results.
- Step 4** Select **Search**.  
Search results are listed.
- Step 5** To return to the complete list of meetings, clear each of the fields.

**Step 6** Select **Search**.

---

## Monitoring a Meeting

You can monitor and moderate a meeting in which you are a participant or the organizer with the In-Meeting Control interface for the meeting.

### Procedure

---

- Step 1** Select **My Meetings** in the sidebar menu.
- Step 2** Select **Current**.
- Step 3** Select the link in the Subject field for the meeting you want to monitor.
- Step 4** Enter the moderator PIN if one is used for this meeting.
- Step 5** Select the Become Moderator icon.

**Note** The In-meeting Control interface is not available for meetings in which you are not a participant or the organizer.

---

## Generating Reports

On the Upcoming and History tabs, you can generate a report in .xls format which shows all meetings scheduled between selected dates (as specified in the To and From fields). Once you have saved a report, you can view it with Microsoft Excel.

### Procedure

---

- Step 1** Select **My Meetings** in the sidebar menu.
- Step 2** Select **Upcoming** or **History**, as required.
- Step 3** Select the calendar icon in the From and To fields to choose a start and end date for information in the generated report.
- Step 4** Select **Generate Report**.

## Responding to a Meeting Invitation

### Procedure

- Step 1** Select **My Meetings** in the sidebar menu.
- Step 2** Select **Upcoming**.

- Step 3** A red flag next to the subject of an upcoming meeting indicates that you have not responded to a meeting invitation sent by the meeting organizer. The mechanism is similar to Outlook scheduling.
- If you see a red flag, select the subject link to open the meeting details.
- You can enter a message in your meeting invitation response.
- An email response is sent to the meeting organizer containing your response.
- The meeting can no longer be accessed from the My Meetings screen.
- The meeting organizer can view the meeting summary screen.
- The meeting organizer can check the attendees list to see who will attend the meeting.
- Attendees who decline the meeting invitation are automatically removed from the meeting summary screen.
- 

## Modifying Upcoming Meetings

You can reschedule the meeting to another time, change the meeting parameters, or delete the meeting request.

### Procedure

---

- Step 1** Select **My Meetings** in the sidebar menu.
- Step 2** Select **Upcoming**.
- Step 3** Select the subject of the meeting you want to modify.
- The In-meeting Control interface is not available for meetings in which you are not a participant or the organizer.
- Step 4** Enter the required information and select **Next** until the Finish button displays.
- Step 5** Select **Finish**.
- 

## Deleting Your Meeting History

All past meetings are deleted from the History tab.

Deleted meetings appear in billing and reporting statements.

History tab search results do not include deleted meetings.

### Procedure

---

- Step 1** Select **My Meetings** in the sidebar menu.
- Step 2** Select **History**.
- Step 3** Select **Delete History**.
-

# Defining the Duration of the Meeting History Display
