

Cisco CallManager Document Locator for Release 3.1(1)

Documentation Set

Table 1 lists the documentation shipped with Cisco CallManager and their URLs on www.cisco.com.

Table 1 Documentation Shipped with Product

Document Title and Description	URL
<i>Installing Cisco CallManager Release 3.1(1)</i> This document describes how to install and configure Cisco CallManager Release 3.1 on the Cisco Media Convergence Server, customer-provided Compaq DL320 and DL380 server, or customer-provided IBM xSeries 330 and 340 server.	http://www.cisco.com/univercd/cc/td/doc/product/voice/c_callmg/3_1/install/cm311ins.htm
<i>Quick Start Guide for Cisco CallManager Release 3.1</i> This guide provides a road map for installing Cisco CallManager, installing and auto-registering Cisco IP Phones, and testing the phone-to-phone connection.	http://www.cisco.com/univercd/cc/td/doc/product/voice/c_callmg/3_1/qs_31.htm
<i>Rack-Mount Conversion Kit Installation</i> This document describes how to assemble and install the rack-mount conversion kit for Cisco MCS-7830 and MCS-7835 servers.	http://www.cisco.com/univercd/cc/td/doc/product/voice/c_callmg/3_0/install/cm308rac.htm
<i>Software License Agreement</i> The Software License Agreement is a legally binding end user license agreement between Cisco CallManager customers and Cisco Systems, Inc.	This document is not available online.

Additional Documentation

Cisco CallManager ships with a small set of hard copy documentation. The hard copy, in-box documentation provides just enough information for installation and initial configuration. Table 2 lists additional documentation available in the following forms:

- On the World Wide Web at www.cisco.com
- On the Documentation CD-ROM that ships with Cisco CallManager
- In hard copy

World Wide Web

You can access the most current Cisco documentation on the World Wide Web at the following sites:

- <http://www.cisco.com>
- <http://www-china.cisco.com>
- <http://www-europe.cisco.com>

Documentation CD-ROM

Cisco documentation and additional literature are available in a CD-ROM package, which ships with your product. The Documentation CD-ROM is updated monthly and may be more current than printed documentation. The CD-ROM package is available as a single unit or as an annual subscription.

Ordering Documentation

Cisco documentation is available in the following ways:

- Registered Cisco Direct Customers can order Cisco Product documentation from the Networking Products MarketPlace:
http://www.cisco.com/cgi-bin/order/order_root.pl
- Registered Cisco.com users can order the Documentation CD-ROM through the online Subscription Store:
<http://www.cisco.com/go/subscription>
- Nonregistered Cisco.com users can order documentation through a local account representative by calling Cisco corporate headquarters (California, USA) at 408 526-7208 or, in North America, by calling 800 553-NETS(6387).

For additional information about ordering hard copy documentation, consult the Service and Support section in the Cisco Information Packet that shipped with this product.
