

Accessing/Printing Cisco CRS Documentation

Cisco CRS product documentation is available in PDF format on-line at the following website:

http://www.cisco.com/en/US/partner/products/sw/custcosw/ps1846/products_documentation_roadmaps_list.html

Note The PDF format version facilitates printing. To access and print PDF format, you must install the Adobe Acrobat Reader, which is available at: <http://www.adobe.com>.

Accessing MRCP ASR and TTS Documentation

Your Cisco CRS purchase includes the Media Resource Control Protocol (MRCP) Automated Speech Recognition (ASR) and the MRCP Text-to-Speech (TTS) client components. To obtain required documentation for the MRCP server, contact Nuance, the speech vendor.

Obtaining Technical Support

To open a request for technical assistance with Cisco CRS, contact the Cisco Technical Assistance Center (TAC) in one of the following ways:

Online:	http://www.cisco.com/tac/
E-mail:	tac@cisco.com (please include "Cisco Customer Response Solutions" in the Subject line)
Phone:	In North America: 800 553-2447 Outside North America: 408 526-7209

Americas Headquarters
