Product Migration Options

The select Cisco Info Center Tier 1 products listed in Table 2 are subject to this end-of-life announcement, but the individual Cisco Info Center components that make up these select Cisco Info Center Tier 1 products are still available and are not part of this announcement. Existing customers can therefore continue to use the individual Cisco Info Center components listed in the replacement columns in Table 2. New customers are encouraged to order the Cisco Info Center recommended replacement product part numbers listed in Table 2.

Customers can use the Cisco Technology Migration Plan (TMP) to trade in products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, go to: <http://www.cisco.com/go/tradein/>. The Cisco TMP application requires all users to have a Cisco.com user ID.

Customers may be able to continue to purchase the end-of-sale product through Cisco's Authorized Refurbished Equipment program. Refurbished units of the end-of-sale product are available in limited supply for sale in certain countries on a first-come, first-served basis. For information about the refurbished equipment program, go to: <http://www.cisco.com/web/ordering/ciscocapital/refurbished/index.html>.
