CTS Projector Bulb Replacement

The project light bulb now has a FRU PID.

There is no need to reject the entire projector due to a light bulb failure.

In the case of a bulb failure on the project, the customer can contact TAC and request the replacement spare.

There are two bulb models available for existing projectors in the field:

Z4/Z5/Z60: CTS-PRJTR-BL-GEN1=

Z700: CTS-PRJTR-BL-GEN2=
