Change in Product Part Number Announcement for the Cisco Unified Communications Software Subscription for Cisco Unified Communications Manager

EOL7032

Cisco announces a change in product part numbers for the Cisco® Unified Communications Software Subscription for Cisco Unified Communications Manager. This is a product part number change only announcement. Customers will experience no change in functionality when using the new product part numbers. The new product part numbers are designed to simplify the customer ordering process. The last day to order the affected product using the current product part numbers is May 11, 2010. Customers will continue to receive support from the Cisco Technical Assistance Center (TAC) until otherwise specified in the end-of-life announcement for the new product part numbers. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product. Table 2 lists the product part numbers affected by this announcement.

Using the new product part numbers, customers may order the Cisco Unified Communications Software Subscription based on the number of users in several categories:

- Enhanced or basic IP users (Cisco or third party)
- Analog users (also application-only user)
- Public-space users
- Video users

Users are considered enhanced IP users only for Cisco Unified Communications Manager 4.3x, 6.1x, 7.0x, and 7.1x.
