

Product Bulletin No. 367558

## Cisco Secure Services Client 4.0.5 Product Upgrade Announcement

### PRODUCT OVERVIEW

Cisco® is offering a free upgrade to the Cisco Secure Services Client 4.0.5 for all former Meetinghouse customers who have an earlier version of AEGIS SecureConnect for Windows 2000 or XP installed. This is the first release of the Cisco Secure Services Client and is the successor to the Meetinghouse SecureConnect client.

Improvements in the Cisco SSC 4.0.5 include:

- Users are prohibited from running applications above their privilege level
- Graceful license trial upgrade
- Connection progress information with a new connection details screen
- Automatic connection features
- Bug fixes (fully described in the Release Notes)

### UPGRADE PATHS

1. Customers with Meetinghouse support agreements will receive this release under the terms of their contract. Support customers can download the new release from the Support site:  
<http://support.mtghouse.com>
2. Customers who have a previously installed version (AEGIS SecureConnect) but do not have a current support agreement are entitled to the upgrade and should contact their local Cisco account representative.

### AVAILABILITY

The free upgrade will be available for a limited time. Downloads of the new software must be complete by December 31, 2006.
