

Get your business talking with the Cisco Capital IP Telephony Rental Promotion

KEY BENEFITS

- Adopt Cisco IP Telephony with minimal initial investment
- Flexibility to rent IP Phones only or a complete IP Telephony solution
- Ease migration from PBX to Cisco IP Telephony and boost your business efficiency
- Offer longer term and low monthly rental payments to improve liquidity and aid cash flow forecasts and management
- Use your operating expense (OpEx) budget to invest today in the latest technology
- Opt for up to 36 months of Cisco SMARTnet™ maintenance

As data, voice, and video technologies converge, you are likely to be facing pressure to evolve your network while at the same time contending with increasing budget constraints.

The Cisco Systems Capital (Cisco Capital) IP Telephony Rental Promotion provides you with a robust entry into Voice-over-IP (VoIP) technology while allowing you to minimize your initial investment, control your budget and avoid technology obsolescence.

Looking to secure a competitive edge in today's multimedia-reliant environment? Cisco Capital's IP Telephony Rental Promotion is also the solution to ease migration away from your existing PBX infrastructure to a newer generation communication platform.

IP Telephony Rental: Great business sense, no matter how you look at it.
