Cisco Base

Cisco Responsibilities:

- Cisco Technical Assistance Center (TAC) access 24 hours per day, 7 days per week to assist with Product use, configuration and trouble shooting issues and access to Cisco.com. Cisco will respond within thirty (30) minutes for Severity 1 and Severity 2 calls and within one (1) hour for Severity 3 and Severity 4 calls received during Standard Business Hours. For Severity 1 and 2 calls received outside Standard Business Hours, Cisco will respond within one (1) hour and for Severity 3 and 4 calls received outside Standard Business Hours, Cisco will respond no later than the next Business Day.
- Manage problems according to the [Cisco Severity and Escalation Guideline](#).
- Access to Cisco.com. This system provides Customer with helpful technical and general information on Cisco Products as well as access to Cisco's on-line Software Center library. Please note that access restrictions identified by Cisco from time to time may apply.
- Assist Customer by telephone, facsimile or electronic mail (for information related to Product use, configuration and troubleshooting).

- Work-around solutions or patches to reported Software problems using reasonable commercial efforts. Cisco will either make available a Software patch from the Cisco.com Software Center (www.cisco.com/software) or ship a Maintenance Release to Customer for the Product experiencing the problem.
- Updates where available and where Customer requests these for supported Software.
- If a Feature Set Upgrade is licensed, Customer will be entitled to Updates (subject to anything to the contrary contained in this exhibit or the Agreement) at the upgraded level for the licensed Hardware.
- Software releases and any supporting documentation will be made available from the Cisco.com Software Center (www.cisco.com/software) or on physical media such as CDROM. Applicable supporting documentation, if available, is limited to one copy per Software release. Customer can, however, purchase additional copies from Cisco.

Customer Responsibilities:

- Provide a priority level as described in the [Cisco Severity and Escalation Guideline](#) for all the calls Customer places.
- Provide, at Customer's expense, reasonable access to the Product through the Internet or via modem to establish a data communication link between Customer and the Cisco TAC engineer and systems passwords so that problems may be diagnosed and, where possible, corrected remotely.
- Use the latest release of Software, where Cisco advises Customer that this will correct a reported Software problem.
- Provide thirty (30) days Notice to Cisco of any requested addition(s) to Customer's Equipment List.
- Notify Cisco, using Cisco.com, of Product on the Equipment List which Customer has moved to a new location within thirty (30) days of such relocation. Please be aware that the Services will be provided to Customer beginning thirty (30) days after receipt of Customer's notification. Cisco will also need Customer to notify Cisco of any modification to the Product and configuration including upgrades or changes to FRUs not in the original configuration within five (5) days of such modification.

- Provide current shipment contact information as follows: contact name, title, address, telephone number, e-mail address and fax number.
- Provide valid and applicable serial numbers for all Product problems and issues reported to Cisco or where Customer is seeking information from Cisco in
- When requested, provide Cisco with a list of all personnel that Customer has authorized to contact Cisco or access Cisco.com for Services and to download Software from Cisco.com or Cisco's PUT. Customer is responsible for reviewing the list on an annual basis and adding or removing personnel as necessary.

connection with Product use. Cisco may also require Customer to provide additional information in the form of location of the Product, city location details and zip code information.
