- 10.6 This Section states the entire obligation of Cisco and its suppliers, and the exclusive remedy of Customer, in respect of any infringement or alleged infringement of any intellectual property rights or proprietary rights. - 11.1 These Terms of Sale shall commence on the Effective Date and continue thereafter for a period of one year, unless sooner terminated, as set forth below. These Terms of Sale shall be automatically renewed thereafter, for successive one (1) year periods, unless at least forty-five (45) days prior to the date of any such renewal, either party shall have given written notice to the other of its intention that these Terms of Sale not be renewed. These Terms of Sale shall automatically terminate at the end of the annual period during which such notice is given.
- 11.2 Either party may terminate these Terms of Sale at any time by providing the other party with at least forty-five (45) days' prior written notice of termination.

If Cisco agrees to complete delivery of any further Products or Services due against any existing Purchase Orders then Customer shall pay for such Products or Services in advance by certified or cashier's check. Except for a termination of these Terms of Sale resulting from Customer's breach of Section 7.0 (Proprietary Rights and Software Licensing), Section 9.0 (Confidential Information), or Section 14.0 (Export, Re-

Export, Transfer & Use Controls), upon termination or expiration of these Terms of Sale, Customer may continue to use, in accordance with these Terms of Sale, Products provided to it by Cisco prior to the date of termination or expiration.

- 11.8 Upon termination or expiration of these Terms of Sale, Customer shall immediately return to Cisco all Confidential Information (including all copies thereof) then in Customer's possession, custody or control; provided, that except for a termination resulting from Customer's breach of Section 7.0 (Proprietary Rights and Software Licensing), or Section 14.0 (Export, Re-Export, Transfer & Use Controls), Customer may retain a sufficient amount of such Confidential Information and material to operate its installed base of Products.
- 11.9 In the event that, following the expiration or termination of these Terms of Sale, Customer places Purchase Orders and Cisco accepts such Purchase Orders, then any such Purchase Orders shall be governed by these Terms of Sale notwithstanding the earlier expiration or termination of these Terms of Sale; provided, however, that acceptance by Cisco of any such Purchase Order will not be considered to be an extension of the term of these Terms of Sale nor a renewal thereof.

12.0 SERVICES

Customer may place Purchase Orders for the various Services offered by Cisco. Such Services, if accepted by Cisco, shall be subject to these Terms of Sale, as well as the additional terms and conditions set forth in Cisco's then-current applicable Service descriptions that describe the deliverables and other terms applicable to such Services unless an Existing Agreement is in effect in which case the terms of the Existing Agreement shall govern any such Services. Customer shall make such records available for review by or on behalf of Cisco upon fifteen (15) days' prior written notice, during regular business hours, at Customer's principal place of business and shall provide Cisco with reasonable assistance in order to review and secure copies of such records. In the event such review discloses non-compliance with these Terms of Sale, Customer shall promptly pay to Cisco the appropriate license fees, plus the reasonable cost of conducting the review.
- 13.2 Inventory Review. From time-to-time Cisco may perform an inventory review of Customer's installed base of Products and review serial numbers and other records (upon reasonable advance notice) to validate Service entitlement. 18.0 GENERAL

- 18.1 Choice of Law. The validity, interpretation, and performance of these Terms of Sale shall be controlled by and construed under the laws of Japan, as if performed wholly within Japan and without giving effect to the principles of conflicts of law, and the Tokyo District Court of Japan shall have exclusive jurisdiction over any claim arising thereunder. The parties specifically disclaim the application of the UN Convention on Contracts for the International Sale of Goods. Notwithstanding the foregoing, either party may seek interim injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such party's intellectual property or proprietary rights.
- 18.2 Force Majeure. Except for the obligation to pay monies due and owing, neither party shall be liable for any delay or failure in performance due to events outside the defaulting party's reasonable control, including, without limitation, acts of God, earthquakes, labor disputes, industry-wide shortages of supplies, actions of governmental entities, riots, war, terrorism, fire, epidemics, or delays of common carriers or other circumstances beyond its reasonable control. The obligations and rights of the defaulting party shall be extended for a period equal to the period during which such event prevented such party's performance.
- 18.3 No Waiver. The waiver by either party of any right provided under these Terms of Sale shall not constitute a subsequent or continuing waiver of such right or of any other right under these Terms of Sale.
- 18.4 Assignment. Neither these Terms of Sale nor any rights or obligations under these Terms of Sale shall be assigned by a party without the other's prior written consent, which will not be unreasonably withheld or delayed. Any attempted assignment shall be void and of no effect. Notwithstanding the foregoing, the parties may assign these Terms of Sale and any right or obligation under it without the other's approval, to any Affiliate. Notwithstanding any assignment by Customer, Customer shall remain liable for the payment of all amounts due under these Terms of Sale.
- 18.5 Severability. In the event that part of or one or more terms of these Terms of Sale become or are declared to be illegal or otherwise unenforceable by any court of competent jurisdiction, each such part or term shall be null and void and shall be deemed deleted from these Terms of Sale. All remaining terms of these Terms of Sale shall remain in full force and effect. Notwithstanding the foregoing, if this paragraph is invoked and, as a result, the value of these Terms of Sale is materially impaired for either party, as determined by such party in its sole discretion, then the affected party may terminate these Terms of Sale by written notice with immediate effect to the other.
- 18.6 Attorneys' Fees. In any suit or proceeding relating to these Terms of Sale the prevailing party will have the right to recover from the other its costs and reasonable fees and expenses of attorneys, accountants, and other professionals incurred in connection with the suit or proceeding, including costs, fees and expenses upon appeal, separately from and in addition to any other amount included in such judgment. This provision is intended to be severable from the other provisions of these Terms of Sale, and shall survive expiration or termination and shall not be merged into any such judgment.
- 18.7 No Agency. These Terms of Sale do not create any agency, partnership, joint venture, or franchise relationship. No employee of either party shall be or become,

or shall be deemed to be or become, an employee of the other party by virtue of the existence or implementation of these Terms of Sale. Each party hereto is an independent contractor. Neither party shall assume or create any obligation of any nature whatsoever on behalf of the other party or bind the other party in any respect whatsoever.

- 18.8 Entire Agreement. These Terms of Sale constitute the entire agreement between the parties concerning the subject matter of these Terms of Sale and replace any prior oral or written communications between the parties, all of which are excluded. There are no conditions, understandings, agreements, representations or warranties, expressed or implied, that are not specified herein (except where implied by law and exclusion is prohibited). These Terms of Sale may be modified only by a written document executed by the parties hereto.
- 18.9 Future Products and Services. For any Products and Services included in the Price List, including Products and Services which become or have become Cisco Products or Services as a result of an acquisition by Cisco of another entity, Cisco may stipulate certification, installation, or training requirements for Customer prior to allowing Customer (if Customer is a certified Cisco reseller) to purchase such Products and Services for resale, and may require on-going fulfillment of some or all of the requirements to retain the right to purchase, license, resell or support such Products and Services. Cisco reserves the right, during the term of these Terms of Sale, to license and distribute additional items of Software. Such items of Software may be licensed under additional or different policies and license terms which will be made available to Customer at the time such items of Software are provided to Customer.
- 18.10 Notices. All notices required or permitted under these Terms of Sale will be in writing and will be deemed given one (1) day after deposit with a commercial express courier specifying next day delivery (or two (2) days for international courier packages specifying 2-day delivery), with written verification of receipt. All communications will be sent to the addresses set forth on the first page of these Terms of Sale, (and notices to Cisco shall be further addressed to the Office of the General Counsel, Attn: Contract Notice) or such other address as may be designated by a party by giving written notice to the other party pursuant to this paragraph, or, in the absence of such an address from customer, to the address to which the last invoice under these Terms of Sale was sent before notice is served. Notwithstanding the foregoing, notices regarding changes in pricing, Software license terms, policies or programs may be by posting on Cisco.com or by e-mail or fax.
