

# End-of-Sale Announcement

## Cisco 1000 Series Routers

### Introduction

End-of-sale for the Cisco 1000 Series (August 21, 2000) is the first step in the Cisco end-of-life process. The product will remain orderable for three months (last day to order is November 21, 2000). This document includes important information on dates associated with this process, SKUs affected, and product substitution matrix.

The Cisco 1000 series consists of six basic models: Cisco 1003, 1004 (ISDN) and 1005 (serial), and corresponding "Channel" models, including: Cisco 1003-CH, 1004-CH, 1005-CH.

### Timeline

| Event                    | Date     | Definition                                                |
|--------------------------|----------|-----------------------------------------------------------|
| End of Sale Announcement | 08/21/00 | Formal announcement.<br>First step in end-of-life Process |
| End of Orderability      | 11/21/00 | Hardware, software, and feature packs no longer orderable |
| Last Shipment            | 02/21/00 | Estimated last date for orders shipped to customers       |
| End of Support, Hardware | 11/21/03 | No exchanges or repairs after this date                   |
| End of Support, Software | 11/21/05 | No software fixes after this date                         |

### EOS Models

The -CH models include Cisco IOS<sup>®</sup> IP software feature set version 12.0.x, 2MB Flash, and 8MB DRAM.
