

## End-of-Sale and End-of-Life Announcement for the Cisco 1-Port Channelized **OC-12/STM-4** (OC-3/STM-1) Line Card

Cisco Systems<sup>®</sup> announces the end of life of the Cisco<sup>®</sup> 1-Port Channelized OC-12/STM-4 (OC-3/STM-1) Line Card. The last day to order the Cisco 1-Port Channelized OC-12/STM-4 line card is December 30, 2004. Customers will continue to receive support from the Cisco Technical Assistance Center (TAC) until December 30, 2009. Table 1 describes the end-of-life milestones, definitions, and dates for the Cisco 1-Port Channelized OC-12/STM-4 line card.

Customers are encouraged to migrate to the Cisco 12000 Series 4-Port Channelized OC-12/STM-4 (DS3/E3, OC-3c/STM-1c) POS/SDH ISE Line Card, which is based on the IP Services Engine (ISE) architecture and offers all the features and functions provided by the 1-Port Channelized OC-12/STM-4 line card, but also provides all the enhanced benefits and functions of the ISE architecture. Table 2 lists the part numbers for the end-of-life and replacement products.

The ISE-based line cards provide flexible channelization as well as dynamic provisioning. While the end-of-life line card is channelized down to OC-3, the replacement line card can be channelized to OC-3 and/or DS3 and can be configured on a per-port basis. More information about the replacement product can be found at:

[http://www.cisco.com/en/US/products/hw/routers/ps167/products\\_data\\_sheet09186a0080092077.html](http://www.cisco.com/en/US/products/hw/routers/ps167/products_data_sheet09186a0080092077.html)

**Table 1** End-of-Life Milestones and Dates for the Cisco 1-Port Channelized OC-12/STM-4 Line Card

Milestone	Definition	Date
<b>End-of-life announcement date</b>	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	December 10, 2003
<b>End-of-sale date</b>	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	December 30, 2004
<b>Last shipment date</b>	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	April 1, 2005
<b>End of software maintenance releases date</b>	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	December 30, 2007
<b>End of routine failure analysis</b>	The last-possible date a routine failure analysis may be performed to determine the cause of product failure or defect.	December 30, 2005
<b>End of new service attachment date</b>	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	December 30, 2005
<b>End of service contract renewal date</b>	The last date to extend or renew a service contract for the product. The extension or renewal period cannot extend beyond the last date of support.	December 30, 2008

**Table 1** End-of-Life Milestones and Dates for the Cisco 1-Port Channelized OC-12/STM-4 Line Card (Continued)

Milestone	Definition	Date
<b>Last date of support</b>	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	November 30, 2009
