Cisco présente sa nouvelle architecture réseau et les innovations apportées à l'Integrated Service Router (ISR)

- Cisco organise un webcast le 20 octobre à 14h00 (heure française) pour présenter un nouveau cadre d'architecture réseau et partager les innovations apportées à son portfolio ISR (Integrated Service Routing), le routeur le plus déployé au monde avec près de 7 millions d'unités vendues depuis son lancement en 2004.
- Pour assister au webcast, connectez-vous et enregistrez-vous en cliquant sur le lien : http://www.cisco.com/offer/transformers/182962_19
- Les porte-parole participant à ce webcast sont :
 - Tony Bates, Senior Vice President and General Manager of Cisco's Enterprise, Commercial and Small Business Group (ECSB)
 - Marie Hattar, Vice President, Network Systems and Security Solutions, Cisco
 - Ross Fowler, Vice President, European Region, Cisco Worldwide Sales
 - Mike Marcellin, Vice President – Global Managed Solutions, Verizon

Cisco Hosts Webcast to Detail New Enterprise Networking Architecture and Integrated Services Router Innovations

SAN JOSE, Calif. – October 15, 2009 – Cisco will host an online webcast to update press, analysts, customers and partners about a new networking architectural framework and five-phase plan, as well as share innovations on its Integrated Services Routing (ISR) portfolio, the industry's most widely deployed router with more than 7 million units sold since it was introduced in 2004.

The discussion will highlight:

- Cisco's corporate vision and architectural solution strategy
- The relevance of Cisco's core networking business to its growth plans and penetration of new markets
- Cisco Integrated Services Router (ISR) innovations
- Guest customers, including Verizon, who will share their experiences with Cisco solutions

Key Speakers:

- Tony Bates, Senior Vice President and General Manager of Cisco’s Enterprise, Commercial and Small Business Group (ECSB)
- Marie Hattar, vice president, Network Systems and Security Solutions, Cisco
- Ross Fowler, vice president, European Region, Cisco Worldwide Sales
- Mike Marcellin, vice president – global managed solutions, Verizon

When: Tuesday, October 20th at:

EMEA	5AM PDT
U.S./Canada/Latin America	11AM PDT
Asia	10:30PM PDT

Where: The webcast can be accessed at the URL below. Pre-registration is required. Go to: [tp://www.cisco.com/offer/transformers/182962_19](http://www.cisco.com/offer/transformers/182962_19)

Interviews: To schedule press interviews after the broadcast, please e-mail Neil Wu Becker at nebecker@cisco.com, or call 408-525-7415.

To schedule analyst interviews after the broadcast, please contact Amal Nichols at amnichol@cisco.com
