

Gautam Munish
Vice President, Cisco Capital India

Gautam Munish is Vice President of Cisco Capital India, a wholly owned subsidiary of Cisco Systems, Inc. specializing in financing networks by providing innovative financial programs to Cisco customers and channel partners. He has led Cisco Capital in India since its formation in early 2005. His key responsibility is sustaining growth in the asset base of Cisco Capital while ensuring a diversified client portfolio. Customizing solutions to suit different client segments while insulating them from likely technology obsolescence and helping client organisations spread out their cash flows while embracing best of breed technologies are the mainstay of activities discharged by the Capital organisation.

He has spent 15 years of his professional life in the financial services industry. Prior to joining Cisco Capital, he spent two years managing the bancassurance businesses for HDFC Standard Life in North India. He has worked with reputed organizations like 20th Century Finance & Cholamandalam Finance in their Corporate Finance divisions. He is an alumnus of the prestigious IMT, Ghaziabad.

His off-work hours are either spent with his two children, Ananya and Aryaman or with his close circle of friends and family. His wife works with the World Health Organization on the anti-tobacco initiative. He and his wife are passionate about music and have passed on the enthusiasm to their children, both of whom are undergoing formal lessons in music and dance.
