The image shows a sequence of four screenshots from the Cisco Learning Network website, illustrating the navigation path to the 'What's Your Story?' section. Red arrows indicate the flow from left to right. A red box highlights the 'What's Your Story?' link in the third screenshot. A larger screenshot on the right shows the 'What's Your Story?' page with a red box around the success stories section. A callout box points to this section with the text 'サクセスストーリーを読む'.

サクセスストーリーを読む

The 'What's Your Story?' page features a grid of success stories:

- Mahmoud Ahmed:** Inspired by his father's engineering career, Mahmoud Ahmed grew up in Egypt and now works in Dubai as a senior network engineer. After five years in networking, he's now in a network design role that he loves.
- Igor Butorac:** Igor Butorac, a Cisco Global Technology Response Center (GTRC) analyst, is great at what he does. Igor holds a BS degree in IT from the University of Sydney in Australia and is currently preparing to take the CCNA certification exam. (Good luck, Igor!)
- Damir Stelinovic:** Damir Stelinovic tried out jobs in several industries before finding his niche in telecommunications. He now a senior network...
- Noel Fitzgerald:** In his role for a wireless mobile operator, Noel Fitzgerald found that additional certifications allowed him to grow into his current responsibilities.
