The screenshot displays the AeroScout Support website. At the top, the AeroScout logo is visible, followed by a navigation menu with links for Company, Solutions, Technology, Products & Services, Partners, and News and Events. A search bar is located on the right. Below the navigation, the page title is "AeroScout Support". The main content area contains a welcome message and a list of services available through the portal, such as creating and tracking technical support cases, downloading documentation, and accessing a knowledgebase. It also provides contact information for non-technical issues and instructions for product registration. The "Create New Account" link is circled in red. Below this, the "Secure Customer Login" section is highlighted with a red box, showing input fields for "User Name" and "Password", a "Forgot your password?" link, and a "Login" button.
