

Cisco Learning Credits Part Numbers and Pricing

PART NUMBER	CREDITS	LIST PRICE
TRN-CLC-000	10 Pack	\$1,000
TRN-CLC-001	100 Pack	\$10,000
TRN-CLC-002	500 Pack	\$50,000
TRN-CLC-003	1500 Pack	\$150,000

Channel Partners that purchase directly from Cisco get a 10% incentive discount whether they resell the credits or use them for their own training needs.

Please be aware that the list price is correct on Cisco pricing tools, however, when using Cisco quotation and ordering tools, the price may default to the customer's equipment discount. Cisco Learning Credit is a payment method and is not discountable; it is a pass through to the Cisco Learning Partner when the credits are redeemed.

On the quotation or the direct order, please override the discount if greater than 10%. If the discount is greater than 10%, the order will be flagged and a Customer Service Rep will contact the buyer for correction.
