5.- In the “Register for Additional Access” area, carefully review the options and chose the one that matches your profile. Choose “Cisco Channel Partner or Authorized Reseller” if you are an authorize Cisco reseller.

May Cisco contact you or send you information about its products and services?

Via Email	<input type="radio"/> Yes	<input type="radio"/> No
Via Mail/Post	<input type="radio"/> Yes	<input type="radio"/> No
Via Phone	<input type="radio"/> Yes	<input type="radio"/> No
Via Fax	<input type="radio"/> Yes	<input type="radio"/> No

If you receive information via email, in which format would you like it to be?

Plain Text HTML

May companies that conduct business with Cisco contact you via email regarding information on their products and services?

Yes No

May Cisco process and store the information you submit via this form, including any updates, in accordance with Cisco's [Privacy Statement](#) which you have read?

Yes No

6.- The last two areas are associated to permission for Cisco to contact you in the future to share valuable information. After the form has been completed click "Submit"

7.- Next screen will ask for your company information. Please complete all the fields and click "Submit"

8.- You will be also asked for "Your Interests and Preferences". If you don't want to share any specific data you can choose "Omit this step"

9.- A final message confirming your registration process will be displayed on the screen. After that, an e-mail will be sent to the e-mail address you registered. That message will include a URL. You will need to click on that URL to complete your CCO password request.

If you experience any problem while completing your CCO password request send an e-mail to web-help@cisco.com
