### Overcoming Adversity to Offer Project Lead Support

**Described As:**

Responsible. Dedicated. Reserved. A friend of your friends.

**Likes:**

Working with different types of people from all over the world, without cultural constraints. Adding value for Cisco and being a good contributor who is aligned with the region commitment.

**Inspiring Fact:**

She has poor vision, yet can do the same work as her colleagues, with the help of special magnifying software and a large screen.

**Whilst Attending University:**

She worked as a business management trainer for the disabled.

**Favourite Activities:**

Dance, theatre, cinema, shows, yoga. Organizing and attending parties. Spending time with friends and family. Enjoying her 3 children, aged 3, 5, and 7.

**Mentor:**

One of her teachers, who worked with people with disabilities. She was like a "second mother" to her, helped her greatly with her education, taught her Braille, and assisted her with magnifiers, books, and special materials.

**Can't Live Without:**

Her mobile phone and computer.

**Looks Forward To:**

Traveling to different countries around the world when her children are older.
