

## Dilcia Colmenares

### A “Party Girl” in Partner Support

**Co-Workers See Her As:**

Determined. Friendly. Happy. Moving forward. A fighter who never gives up.

**Recent Successes At Work:**

Her CPS team has won 3 CAP awards, and recently won the Leadership Award in the Spirit of CSSO award—all within 9 months of transitioning from Amsterdam to Lisbon.

**What She Likes About Her Job:**

Interacting with so many departments at all levels; from account managers to theatre leads to partners. Working hard and being recognised for her efforts. The dynamic environment, where every day, she encounters different problems that require new ways to solve them.

**Philosophy Of Life:**

We have to live today, because tomorrow, we don't know what can happen. Live it up.

**Activities:**

Reading, walking on the beach, rollerblading, yoga, Reiki, working out at the gym, and going to the theatre.

**Favourite Part Of The World:**

Cayo Sombrero (Key Hat), an island off Venezuela. It's a paradise, with sunshine, crystal-clear water, and lots of different fish and coral.

**Last Great Meal:**

Oysters and “bacalhau,” which is salted dried codfish (she loves the 100 ways that the Portuguese know how to prepare it).

**Can't Live Without:**

The Internet and candles.
