

## Lucien Avramov

**Philosophically Inclined Customer Support Engineer**

**Born In:**

Bulgaria.

**Grew Up In:**

France.

**Resides In:**

Silicon Valley.

**Speaks:**

French, English, Bulgarian, Russian.

**World View:**

History matters, because understanding how we got here helps us better understand where we're headed.

**Advice About Life:**

Be open to all cultures and interested in the world around you. Learn as much as you can about yourself and other people.

**Defines Success At Work As:**

Truly comprehending his colleagues and clients. Helping them communicate their problems and ideas. Finding the best solutions for all involved.

**When Not At His Desk He's:**

Listening to music, capturing unique moments with his camera, or skiing the slopes of Tahoe.
