

## Luke Rogers

**So Talented. So Energetic. So Young.**

### **Described As:**

Proactive, motivated, and enthusiastic. A veritable fountain of new ideas. A man who hates to sit back and do nothing.

### **Stands Out As:**

The youngest person in the Cisco Sales Associates Programme in Amsterdam, at age 21.

### **Would Like To Do More:**

Mountain biking, which is difficult as there are no hills in the Netherlands.

### **Looking Forward To:**

Hitting the ground running in July 2009 as a Cisco Account Manager, where all the skills he developed in the Programme will be fully utilised at last.

### **Last Great Meal:**

English roast dinner with Yorkshire pudding.

### **Advice About Life:**

It's all about people. Make as many friends as you can, and take each day as it comes.

### **Little-Known Facts:**

Started his own computer company at the age of 15, to build and service PCs. Sold the company to his business partner at age 18, when he left for university.

### **On His "To-Do" List:**

To see the world, every single last corner of it.
