

***President and Chief Executive Officer***

Kapil Nanda founded Infogain in 1990 after years of extensive management experience acquired during his association with industry pioneers like Burroughs, Intel, and Altos Computer. With nearly three decades of experience in the technology industry, he is in a unique position to navigate the challenges enterprises face when integrating multiple generations of systems and applications as part of their business strategies. Mr. Nanda holds a bachelor's degree in engineering from Punjab University, India, a master's degree from the University of Kansas, and a master's degree in business administration from the University of Southern California.
