

Corinne Marsolier

Director, Healthcare Solutions, European Market
Internet Business Solutions Group

Corinne Marsolier has over 16 years of Information Technology experience at Cisco and is director, of healthcare solutions in Europe for the Cisco Internet Business Solutions Group (IBSG). Cisco's IBSG is a group of industry experts that act as a trusted business/technology advisor to business and government leaders around the world to help them become more effective through changed business processes and intelligent technology deployment.

In her IBSG role, Marsolier heads the European healthcare innovation practice and chairs the Cisco Connected Health Think Tank – a small group of International healthcare experts that debate on strategic healthcare challenges.

Earlier in her career at Cisco, she led the European 'E-business Compliant Network' practice that helps executive customers align their strategy to their infrastructure investment.

Prior to Cisco, Marsolier managed technical projects in the networking department at Hewlett Packard, Palo Alto, California. Corinne holds a Masters degree in Electrical Engineering (French Engineering School SUPELEC) and a BS in Economics (Sorbonne, Paris).
