CORPORATE EXPORT COMPLIANCE POLICY STATEMENT

The rewards of being a leader in the global marketplace comes with a heightened responsibility to the world citizenry that it serves. Cisco's policy is to maintain strict compliance with global export control laws. It is the obligation of every Cisco employee to adhere to all applicable export laws and regulations.

Global Export Trade (GET) directs and counsels all parties involved in Cisco's Exports. Our goal is to facilitate and expedite worldwide trade in the most effective and efficient manner by proactively observing all international rules and regulations regarding export.

Cisco's Global Export Trade Group publishes extensive compliance policies and procedures at:

<http://wwwin.cisco.com/legal/GlobalExportTrade/>

Failure to comply with the relevant export control regulations may have serious repercussions for Cisco. Penalties may include fines, the denial of export privileges and imprisonment.

If you have any questions, doubts or reason to believe the legitimacy of a technology transfer or export transaction, do not hesitate to contact Cisco's Global Export Trade at: get@cisco.com

A handwritten signature in black ink that reads "John Chambers".
