Registration Fee Payment Arrangements

Registration for Cisco Academy Conference 2009 will open in April 2009. You can arrange for payment of your registration fee when online registration opens. You will have the option to pay via credit card, check, purchase order or wire transfer.

Early Payments

If you need to send a payment prior to April, please send an email to support@ciscoacademy2009.com. Instructions on how to make a payment will be provided to you.

Once the registration site launches, you will be required to register for the event via online or by phone. If you select to register online, please send an email to support@ciscoacademy2009.com to instruct them to apply your payment to your account. If you choose to register by phone, please let the agent know that your payment has already been made.
