

Academy Conference 2008 Saratoga Springs, Portland, and Little Rock

Educating the Architects of the Networked Economy

What are the goals of Academy Conference?

- Increase the technical and program knowledge of Cisco® Networking Academy® instructors and administrators.
- Offer opportunities for dialogue among educators, Cisco program staff and academy personnel about IT trends and career paths related to IT education.
- Highlight the many tools and resources available to participants in the academy.
- Share strategies and best practices for leveraging the new CCNA® Discovery and Exploration curricula, IT Essentials: PC Hardware and Software, and CCNP® curriculum.
- Create connections among Academy instructors and administrators, the academy team, academy partners and IT professionals.

What can I expect?

Academy Conference offers informative technical sessions and empowering program sessions, all balanced with fun special events.

Where and when is it?

Three conferences will be held throughout the United States in June and July of 2008. All three conferences will be similar in nature. The dates and locations are as follows:

- June 30 – July 2, 2008 Saratoga Springs, New York
- July 7 – 9, 2008 Portland, Oregon
- July 28 – 30, 2008 Little Rock, Arkansas

What is the fee to attend the conference?

Since Cisco Learning Institute is once more subsidizing the conference, we are able to offer the conference for only \$275 per attendee. This price does not include airfare, hotel, or other travel expenses.

How can I learn more about the conference?

The Academy Conference website is available at <http://www.cisco.com/go/academyconference>. Online registration will open in early April.
