

## The Cisco Networking Academy Program Get Connected with Career Connection!

“... Cisco Career Connection programs helped us find just what we needed.”

– Ron Stenzel  
 Vice President and  
 General Manager  
 Darcomm Network Solutions  
 Cisco Gold Certified Partner

Now there's a convenient way to recruit IT employees who are trained in the latest networking technologies. The Cisco [Career Connection](#) job board connects employers with networking and IT candidates who have completed one or more courses in the Cisco Networking Academy® Program.

The [Cisco Networking Academy Program](#) prepares students for IT jobs through unparalleled technical education and hands-on training. More than one million students throughout the United States and in more than 150 countries have taken a Networking Academy course, and many of them have pursued CCNA®, CCNP®, and other industry recognized certifications.

The [Career Connection](#) job board, which serves the United States, Canada, and Mexico, is available in three languages and gives employers direct access to a pool of skilled candidates to help reduce recruitment and training costs.
