

## Special Lease Rates and Attractive Migration Options for Cisco Data Center Products

You have a choice in how to best acquire equipment and services for your data center. The choice you make today will affect the technological and financial future of your business.

Cisco Capital™ can help with this important decision and simplify the management of your data center evolution.

Cisco Capital offers the most competitive rates, highest residuals and flexible terms for Cisco® Data Center Architecture solutions. These benefits work together to provide you lower overall costs and adaptable lifecycle management planning.

For a limited time, you can simplify i.t. with special offers from Cisco Capital to further assist in the development of your data center. These offers include the following:

### **Rates as Low as 3.99% APR for the Cisco Nexus 7000 \***

Low rates and flexible lease terms to help you adopt the latest Cisco data center technology:

- Low rate of 3.99% APR for 36-month lease
- Low rate of 4.99% APR for 48 and 60-month lease lengths
- Applies to Cisco Nexus 7000 hardware products only
- US customers eligible
- Available March 1, 2008 through March 31, 2009

### **Cisco Catalyst 6500 Migration Lease \***

Maximum flexibility to migrate your network core from a newly leased Cisco Catalyst 6500 to the Cisco Nexus 7000 when you're ready:

- 36-month lease for the Cisco Catalyst 6500
- Migrate to the Cisco Nexus 7000 anytime after the first 12 months and your remaining payments will be forgiven when the Cisco Catalyst 6500 products are returned to Cisco Capital
- Customer must lease Cisco Nexus 7000 products of equal or greater value for the migration option above
- Applies to Cisco Catalyst 6500 products only

- US customers eligible
- Available January 29, 2008 through December 31, 2008

### Financing for the Cisco Data Center Architecture

With Cisco Capital you can save on the cost of Cisco data center equipment and services, protect current investments and plan for the future:

- Available for all Cisco data center products including the Cisco Catalyst 6500 and 4900 series
- Terms up to 5 years with Fair Market Value (FMV) and \$1 out options
- Flexible equipment migration options
- Payment deferrals to match budget cycles and ROI goals
- Competitive residuals to lower costs
- Low rates on Cisco Wide Area Application Services products
- Below market rates on Cisco subscription-based data center services

### Cisco Capital

As the captive of Cisco, Cisco Capital is uniquely positioned to provide the most aggressive and flexible financing for Cisco technology and services. Empowering businesses with the financial flexibility they need to evolve IT as business demands grow and technology advances. Cisco Capital delivers financing solutions designed to support business goals and technology needs, both today and in the future.
