The Purchase Instrument should reference the Statewide Contract and may include an identification of the items to be purchased, the delivery date and location, the address where the Contractor should submit the invoices, and any other requirements deemed necessary by the Agency or User Agencies as long as such requirements are not in conflict with the terms of this Statewide Contract and/or are mutually agreed to by the parties in writing. **Services** means one or more of the services options as determined by RFX scope and selected by the Customer in its Purchase Order and described at:
<http://www.cisco.com/go/servicedescriptions>

No objection or amendment by a Contractor to the RFX requirements or the Statewide Contract shall be incorporated by reference into this Statewide Contract unless the Agency has accepted the

Contractor's objection or amendment in writing. The Statewide Contract Form is defined separately and referred to separately throughout the Statewide Contract Terms and Conditions as a means of identifying the location of certain information. For example, the initial term of the Statewide Contract is defined by the dates in the Statewide Contract Form.

3. **RESERVED**
4. **RESERVED**
5. **RESERVED**

6. **Authority to Enter into Contract.** The Contractor represents and warrants that it has full authority to enter into the Statewide Contract and that it has not granted and will not grant any right or interest to any person or entity that might derogate, encumber or interfere with the rights granted to the State.
-
7. Notwithstanding any other provision of this Statewide Contract, nothing in this Statewide Contract authorizes Agency to waive User Agencies rights to cover or seek substitute performance for defective performance which remains uncured by Contractor's standard warranty obligations and Agency specifically denies having waived such User Agencies rights; provided, however, nothing in this Statewide Contract prohibits Contractor from obtaining such waiver from individual User Agencies.
8. **Title to Property.** The Contractor represents that title to any property assigned, conveyed or licensed to the State is good and that, to the best of Contractor's knowledge, transfer of title to the State is rightful and that all property shall be delivered free of any security interest or other lien or encumbrance. At User Agency's request and expense, User Agency may require that an additional criminal background investigation be made of any and all Contractor personnel utilized to provide services to such User Agency. If such investigation reveals a disregard for the law or other background that indicates an unacceptable security risk as determined by the User Agency, then the User Agency may request that such Contractor personnel no longer provide services to the User Agency. Agency and User Agency understands that Contractor personnel have the option to refuse being subjected to the criminal background investigation. The sole recourse for such refusal is removal from providing services for the Agency and/or User Agency. The Contractor's employees, agents and subcontractors may be granted access to state computers, hardware, software, programs and/or information technology infrastructure or operations to the extent necessary to carry out the Contractor's responsibilities under the Statewide Contract. Such access may be terminated at the sole discretion of the State. provide notice to Agency of the changed status (once Contractor becomes aware) of any employee, agent or subcontractor granted access to state computers, hardware, software, programs and/or information technology infrastructure or operations, including, but not limited to, termination or change of the position or contract relationship. This Section supersedes any Contractor and/or its subcontractor background requirements contained in the RFX to include Attachment C to the RFX.

12. **Use of State Vehicles.** No State vehicles will be used by Contractor for the performance of services under this Statewide Contract. Contractor shall be responsible for providing transportation necessary to perform all services.

L. CONTRACT ADMINISTRATION

1. **Order of Preference.** In the case of any inconsistency or conflict among the specific provisions of the Statewide Contract Terms and Conditions (including any amendments accepted by both the Agency and the Contractor attached hereto and the Awarded Item Schedule, if any), the RFX (including any subsequent addenda and written responses to bidders' questions), and the Contractor's Response, any inconsistency or conflict shall be resolved as follows:
 - (i) First, by giving preference to the Statewide Contract Terms and Conditions.
 - (ii) Second, by giving preference to the specific provisions of the RFX.
 - (iii) Third, by giving preference to the specific provisions of the Contractor's Response, except that objections or amendments by a Contractor that have not been explicitly accepted by the Agency in writing shall not be included in this Statewide Contract and shall be given no weight or consideration.
2. **Intent of References to Bid Documents.** The references to the parties' obligations, which are contained in this document, are intended to supplement or clarify the obligations as stated in the RFX and the Contractor's Response. The contractual obligations of the Agency cannot be implied from the Contractor's Response.
3. **Compliance with the Law.** The parties, its employees, agents, and subcontractors shall comply with all applicable federal, state, and local laws, rules, ordinances, regulations and orders now or hereafter in effect when performing under the Statewide Contract, including without limitation, all laws applicable to the prevention of discrimination in employment and the use of targeted small businesses as subcontractors or contractors.

Certain equipment, software and technical data which may be provided hereunder may be subject to export and re-export controls under the U.S. Export Administration Regulations and/or similar regulations of the United States or any other country. The parties shall be responsible for complying with all export and re-export laws and regulations, including without limitation:

- (i) Local license or permit requirements;

- (ii) Export, import and customs laws and regulations, which may apply to certain equipment, software and technical data provided hereunder; and
- (iii) All applicable foreign corrupt practices acts.

The Contractor, its employees, agents and subcontractors shall also comply with all federal, state and local laws regarding business permits and licenses that may be required to carry out the work performed under the Statewide Contract. Contractor and Contractor's personnel shall also comply with all State, Agency, and User Agency policies and standards 1) in effect during the performance of the Statewide Contract and 2) provided to the Contractor in advance and in writing, including but not limited to the Agency and User Agencies' policies and standards relating to personnel conduct, security, safety, confidentiality, and ethics. Further, the provisions of O.C.G.A. Section 45-10-20 et seq. have not and must not be violated under the terms of this Statewide Contract.

Contractor shall obtain and maintain, and shall cause its subcontractors to obtain and maintain all approvals, permissions, permits, licenses, and other documentation required to comply with all applicable laws, rules or regulations. Contractor agrees that any failure by Contractor or Contractor's employees to comply with any of the obligations of this section may be treated by the Agency as a material breach of this Statewide Contract by the Contractor.

4. Drug-free Workplace. The Contractor hereby certifies as follows:

- (i) Contractor will not engage in the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana during the performance of this Statewide Contract; and
- (ii) If Contractor has more than one employee, including Contractor, Contractor shall provide for such employee(s) a drug-free workplace, in accordance with the Georgia Drug-free Workplace Act as provided in O.C.G.A. Section 50-24-1 et seq., throughout the duration of this Statewide Contract; and
- (iii) Contractor will secure from any subcontractor hired to work on any job assigned under this Statewide Contract the following written certification: "As part of the subcontracting agreement with (Contractor's Name), (Subcontractor's Name) certifies to the contractor that a drug-free workplace will be provided for the subcontractor's employees during the performance of this Contract pursuant to paragraph 7 of subsection (b) of Code Section 50-24-3."

Contractor may be suspended, terminated, or debarred if it is determined that:

- (i) Contractor has made false certification here in above; or
- (ii) Contractor has violated such certification by failure to carry out the requirements of O.C.G.A. Section 50-24-3(b).

5. Amendments. The Statewide Contract may be amended in writing from time to time by mutual consent of the parties and upon approval by the Agency. All amendments to the Statewide Contract must be in writing and fully executed by duly authorized representatives of the Agency and the Contractor.

6. Third Party Beneficiaries. There are no third-party beneficiaries to the Statewide Contract. The Statewide Contract is intended only to benefit the State and the Contractor.

7. **Choice of Law and Forum.** The laws of the State of Georgia shall govern and determine all matters arising out of or in connection with this Statewide Contract without regard to the choice of law provisions of State law. In the event any proceeding of a quasi-judicial or judicial nature is commenced in connection with this Statewide Contract, such proceeding shall solely be brought in a court or other forum of competent jurisdiction within Fulton County, Georgia.

8. **Parties' Duty to Provide Notice of Intent to Litigate and Right to Demand Mediation.** In addition to any dispute resolution procedures otherwise required under this Statewide Contract or any informal negotiations which may occur between the State and the Contractor, no civil action with respect to any dispute, claim or controversy arising out of or relating to this Statewide Contract may be commenced without first giving fourteen (14) calendar days written notice to the State of the claim and the intent to initiate a civil action. At any time prior to the commencement of a civil action, either the State or the Contractor may elect to submit the matter for mediation. Either the State or the Contractor may exercise the right to submit the matter for mediation by providing the other party with a written demand for mediation setting forth the subject of the dispute. The parties will cooperate with one another in selecting a mediator and in scheduling the mediation proceedings. Venue for the mediation will be in Atlanta, Georgia; provided, however, that any or all mediation proceedings may be conducted by teleconference with the consent of the mediator. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs; provided, however that the cost to the State shall not exceed five thousand dollars (\$5,000.00).

All offers, promises, conduct and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts and attorneys, and by the mediator or employees of any mediation service, are inadmissible for any purpose (including but not limited to impeachment) in any litigation or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. Inadmissibility notwithstanding, all written documents shall nevertheless be subject to the Georgia Open Records Act O.C.G.A. Section 50-18-70 et.seq.

No party may commence a civil action with respect to the matters submitted to mediation until after the completion of the initial mediation session, forty-five (45) calendar days after the date of filing the written request for mediation with the mediator or mediation service, or sixty (60) calendar days after the delivery of the written demand for mediation, whichever occurs first. Mediation may continue after the commencement of a civil action, if the parties so desire.

9. **Assignment and Delegation.** The Statewide Contract may not be assigned, transferred or conveyed in whole or in part without the prior written consent of the Agency. For the purpose of construing this clause, a transfer of a controlling interest in the Contractor shall be considered an assignment.

10. **Use of Third Parties.**

Contractor has the right to utilize alternate fulfillment partners, including value added resellers (VARs) and/or distributors and dealers (hereafter "Reseller[s]" or "Subcontractors") as fulfillment agents under this Statewide Contract, e.g., for direct order taking, processing, fulfillment or provisioning.

Subject to approval of the Agency, Resellers may be added at any time during the term of this Statewide Contract at the sole discretion of Contractor, with a minimum of five (5) Resellers and no set maximum number of Resellers who may be used, subject to the approval of the State. Contractor, in its sole discretion, is not required to add and may delete upon thirty (30)

days written notice any Reseller who does not meet Contractor's established qualifying criteria, or where the addition of the entity would violate any state or federal law or regulation.

The name, address and approved contact number for each approved Reseller shall be separately-set forth at the Contractor's website, which will be updated from time to time by Contractor during the term of this Statewide Contract.

User Agencies may place orders directly only through these Resellers on approved products and services. The order process shall be as agreed between the User Agency and the Resellers. Only those Resellers approved and listed during the term of this Statewide Contract at Contractor's website are authorized to directly receive Purchase Orders, invoice User Agencies, and receive payment from User Agencies on Contractor's behalf. All authorized Resellers are eligible to quote pricing to User Agencies for procurements under this Statewide Contract which otherwise meet the Reseller's qualifying criteria.

Except as otherwise set forth in the qualifying criteria, Contractor will not, directly or indirectly, restrict any Reseller's participation or ability to quote pricing for a User Agency. Resellers will not offer less favorable pricing discounts than the contract discounts established by Contractor under the Statewide Contract. However, any additional incremental discounts available to User Agencies, if offered, may be provided in the discretion and as the sole legal obligation of the Reseller to the Agency.

Contractor shall not be responsible for verification of E-Rate compliance by the Reseller; however it will use reasonable efforts to compile the SPIN number for Reseller selling to all schools within GA's school districts, GA's Charter schools, GA's State Schools and GA's Libraries. Contractor shall not be responsible for monitoring Reseller's Better Business Bureau rating. However, Contractor will work with the Agency to 1) properly onboard Reseller(s) such that the Reseller(s) are aware of the scope of the Master Contract, 2) manage de-certification or off-boarding of Resellers from servicing User Agencies under this Master Contract, and 3) assist in the resolution of any escalated User Agency issue(s). In addition, Contractor will facilitate review meetings with Resellers to ensure that the Agency's and Contractor's business needs and requirements are satisfactorily met as set forth in this Master Contract. Contractor may provide a reference on a proposed Servicing Partner if Agency requests.

Except as allowed under this Statewide Contract or as may be expressly agreed to in writing by the Agency, Contractor shall not subcontract, assign, delegate or otherwise permit anyone other than Contractor or Contractor's personnel to perform any of Contractor's obligations under this Statewide Contract or any of the work subsequently assigned under this Statewide Contract. The Agency's designated contract administrator shall have the right to approve the addition of any new subcontractors. No subcontract which Contractor enters into with respect to performance of obligations or work assigned under the Statewide Contract shall in any way relieve Contractor of any responsibility, obligation or liability under this Statewide Contract and for the acts and omissions of all subcontractors, agents, and employees. All restrictions, obligations and responsibilities of the Contractor under the Statewide Contract shall also apply to the subcontractors. Any contract with a subcontractor must also preserve the rights of the Agency. The Agency shall have the right to request the removal of a subcontractor from the Statewide Contract for good cause.

- 11. Integration.** The Statewide Contract represents the entire agreement between the parties. The parties shall not rely on any representation that may have been made which is not included in the Statewide Contract.

- 12. Headings or Captions.** The paragraph headings or captions used in the Statewide Contract are for identification purposes only and do not limit or construe the contents of the paragraphs.
- 13. Not a Joint Venture.** Nothing in the Statewide Contract shall be construed as creating or constituting the relationship of a partnership, joint-venture, (or other association of any kind or agent and principal relationship) between the parties thereto. Each party shall be deemed to be an independent contractor contracting for software, products and services and acting toward the mutual benefits expected to be derived herefrom. Neither Contractor nor any of Contractor's agents, servants, employees, subcontractors or contractors shall become or be deemed to become agents, servants, or employees of the State. Contractor shall therefore be responsible for compliance with all laws, rules and regulations involving its employees and any subcontractors, including but not limited to employment of labor, hours of labor, health and safety, working conditions, workers' compensation insurance, and payment of wages. No party has the authority to enter into any contract or create an obligation or liability on behalf of, in the name of, or binding upon another party to the Statewide Contract.
- 14. Joint and Several Liability.** If the Contractor is a joint entity, consisting of more than one individual, partnership, corporation or other business organization, all such entities shall be jointly and severally liable for carrying out the activities and obligations of the Statewide Contract, and for any default of activities and obligations.
- 15. Supersedes Former Contracts or Agreements.** Unless otherwise specified in the Statewide Contract, this Statewide Contract supersedes all prior contracts or agreements between the Agency and the Contractor for the software, products and services provided in connection with the Statewide Contract.
- 16. Waiver.** Except as specifically provided for in a waiver signed by duly authorized representatives of the Agency and the Contractor, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Statewide Contract shall not be construed as affecting any subsequent right to require performance or to claim a breach.
- 17. Notice.** Any and all notices, designations, consents, offers, acceptances or any other communication provided for herein shall be given in writing by registered or certified mail, return receipt requested, by receipted hand delivery, by Federal Express, courier or other similar and reliable carrier which shall be addressed to the person who signed the Statewide Contract on behalf of the party at the address identified in the Statewide Contract Form. Each such notice shall be deemed to have been provided the earlier of:
- (i) At the time it is actually received; or,
 - (ii) Within one (1) day in the case of overnight hand delivery, courier or services such as Federal Express with guaranteed next day delivery; or,
 - (iii) Within five (5) days after it is deposited in the U.S. Mail in the case of registered U.S. Mail.

From time to time, the parties may change the name and address of the person designated to receive notice. Such change of the designated person shall be in writing to the other party and as provided herein.

- 18. Cumulative Rights.** The various rights, powers, options, elections and remedies of any party provided in the Statewide Contract shall be construed as cumulative and not one of them is exclusive of the others or exclusive of any rights, remedies or priorities allowed either party by

law, and shall in no way affect or impair the right of any party to pursue any other equitable or legal remedy to which any party may be entitled as long as any default remains in any way unremedied, unsatisfied or undischarged.

-
- 19. Severability.** If any provision of the Statewide Contract is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of the Statewide Contract. Further, if any provision of the Statewide Contract is determined to be unenforceable by virtue of its scope, but may be made enforceable by a limitation of the provision, the provision shall be deemed to be amended to the minimum extent necessary to render it enforceable under the applicable law. Any agreement of the Agency and the Contractor to amend, modify, eliminate, or otherwise change any part of this Statewide Contract shall not affect any other part of this Statewide Contract, and the remainder of this Statewide Contract shall continue to be of full force and effect.
- 20. Time is of the Essence.** Except in a Force Majeure event(s), time is of the essence with respect to performance of the terms under this Statewide Contract.
- 21. Authorization.** The persons signing this Statewide Contract represent and warrant to the other parties that:
- (i) It has the right, power and authority to enter into the Statewide Contract; and
 - (ii) It has taken all requisite action (corporate, statutory or otherwise) to approve execution, delivery and performance of the Statewide Contract and the Statewide Contract constitutes a legal, valid and binding obligation upon itself in accordance with its terms.
- 22. Successors in Interest.** All the terms, provisions, and conditions of the Statewide Contract shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns and legal representatives.
- 23. Record Retention and Access.** The Contractor shall maintain books, records and documents which sufficiently and properly document and calculate all charges billed to the State throughout the term of the Statewide Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. The Contractor should maintain separate accounts and records for the Agency and the User Agencies. Records to be maintained include both financial records and service records. The Contractor shall permit the Auditor of the State of Georgia or any authorized representative of the State, and where federal funds are involved, the Comptroller General of the United States, or any other authorized representative of the United States government, to access and examine, audit, excerpt and transcribe any directly pertinent books, documents, papers, electronic or optically stored and created records or other records of the Contractor relating solely to sales orders, invoices, payments or quarterly sales reports made in accordance with the contract, wherever such records may be located during normal business hours. Agency and the User Agencies shall provide adequate advance written notice of any audits and shall pay for any shortfalls in payment(s) revealed by the audit(s).. The Contractor shall not impose a charge for audit or examination of the Contractor's books and records. If an audit discloses incorrect billings, the State reserves the right to charge the Contractor for appropriate reimbursement. In addition, if an audit discloses underpayment by the State, Agency or User Agency, Contractor reserves the right to charge the applicable State, Agency or User Agency for appropriate payment. Evidence of criminal conduct will be turned over to the proper authorities. The audit provisions in this Section and this Statewide Contract supercede the audit provisions in Section 3.5 (b) of Attachment A to the RFX.

24. **Solicitation.** The Contractor agrees that no person or selling agency (except bona fide employees or selling agents maintained for the purpose of securing business) has been employed or retained to solicit and secure the Statewide Contract upon an agreement or understanding for commission, percentage, brokerage or contingency.
-
25. **Public Records.** The laws of the State of Georgia, including the Georgia Open Records Act, as provided in O.C.G.A. Section 50-18-70 et seq., require procurement records and other records to be made public unless otherwise provided by law.
26. **RESERVED**
27. **Debarred, Suspended, and Ineligible Status.** Contractor certifies that the Contractor has not been debarred, suspended, or declared ineligible by any agency of the State of Georgia or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch.1 Subpart 9.4. Contractor will immediately notify the Agency if Contractor is debarred by the State or placed on the Consolidated List of Debarred, Suspended, and Ineligible Contractors by a federal entity. Contractor shall also require such certification from its subcontractors.
28. **Use of Name or Intellectual Property.** The parties agree they will not use trademarks or logos of the other party in any manner, including commercial advertising or as a business reference, without the expressed prior written consent of the other party. Such consent, if provided, shall be provided within fourteen (14) business days of the provision of the request for review and approval.
29. **Taxes.** User Agencies are exempt from Federal Excise Taxes, and no payment will be made for any taxes levied on Contractor's employee's wages. User Agencies are exempt from State and Local Sales and Use Taxes on the services. Tax Exemption Certificates will be furnished upon request. Contractor or an authorized subcontractor has provided the Agency with a sworn verification regarding the filing of unemployment taxes or persons assigned by Contractor to perform services required in this Statewide Contract, which verification is incorporated herein by reference.
30. **Certification Regarding Sales and Use Tax.** By executing the Statewide Contract the Contractor certifies it is either (a) registered with the State Department of Revenue, collects, and remits State sales and use taxes as required by Georgia law, including Chapter 8 of Title 48 of the O.C.G.A.; or (b) not a "retailer" as defined in O.C.G.A. Section 48-8-2. The Contractor also acknowledges that the State may declare the Statewide Contract void if the above certification is false. The Contractor also understands that fraudulent certification may result in the Agency or its representative filing for damages for breach of contract.
31. **Delay or Impossibility of Performance.** Neither party shall be in default under the Statewide Contract if performance is delayed or made impossible by an act of God. In each such case, the delay or impossibility must be beyond the control and without the fault or negligence of the Contractor. Unless otherwise provided in this Statewide Contract, if delay results from a subcontractor's conduct, negligence or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Statewide Contract.
32. **Limitation of Contractor's Liability to the State.**

Contractor's liability to the User Agency is limited to the greater of \$1,000,000 or the amount payable by the User Agency for the relevant order (per occurrence). Neither the Agency, User Agency or Contractor will be liable to the other for lost revenues or profits, downtime costs, loss or damage to data or indirect or consequential damages. This provision does not limit any

party's liability for 1) unauthorized use of intellectual property, 2) third party claims for (i) death or bodily injury directly from negligence of the other party, or (ii) damage to tangible personal property (not including lost or damaged data), 3) acts of fraud or other willfully wrongful acts or omissions. Notwithstanding the foregoing, any representation as to a limitation of Contractor's liability as to third parties shall not require Agency or User Agencies to indemnify Contractor from claims of any third parties.

All obligations of the Contractor incurred or existing under the Statewide Contract as of the date of expiration, termination or cancellation will survive the termination, expiration or conclusion of the Statewide Contract.
34. **Counterparts.** The Agency and the Contractor agree that the Statewide Contract has been or may be executed in several counterparts, each of which shall be deemed an original and all such counterparts shall together constitute one and the same instrument.
35. **Further Assurances and Corrective Instruments.** The Agency and the Contractor agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for carrying out the expressed intention of the Statewide Contract.
36. **Transition Cooperation and Cooperation with other Contractors.** Contractor agrees that upon termination of this Statewide Contract for any reason, it shall provide sufficient efforts and cooperation to ensure an orderly and efficient transition of services to the State or another contractor.
